There is
A time to be born, a time to die,
A time to plant, a time to reap,
A time to kill, a time to heal,
A time to laugh, a time to weep,
A time for every purpose under heaven.
Pete Seeger

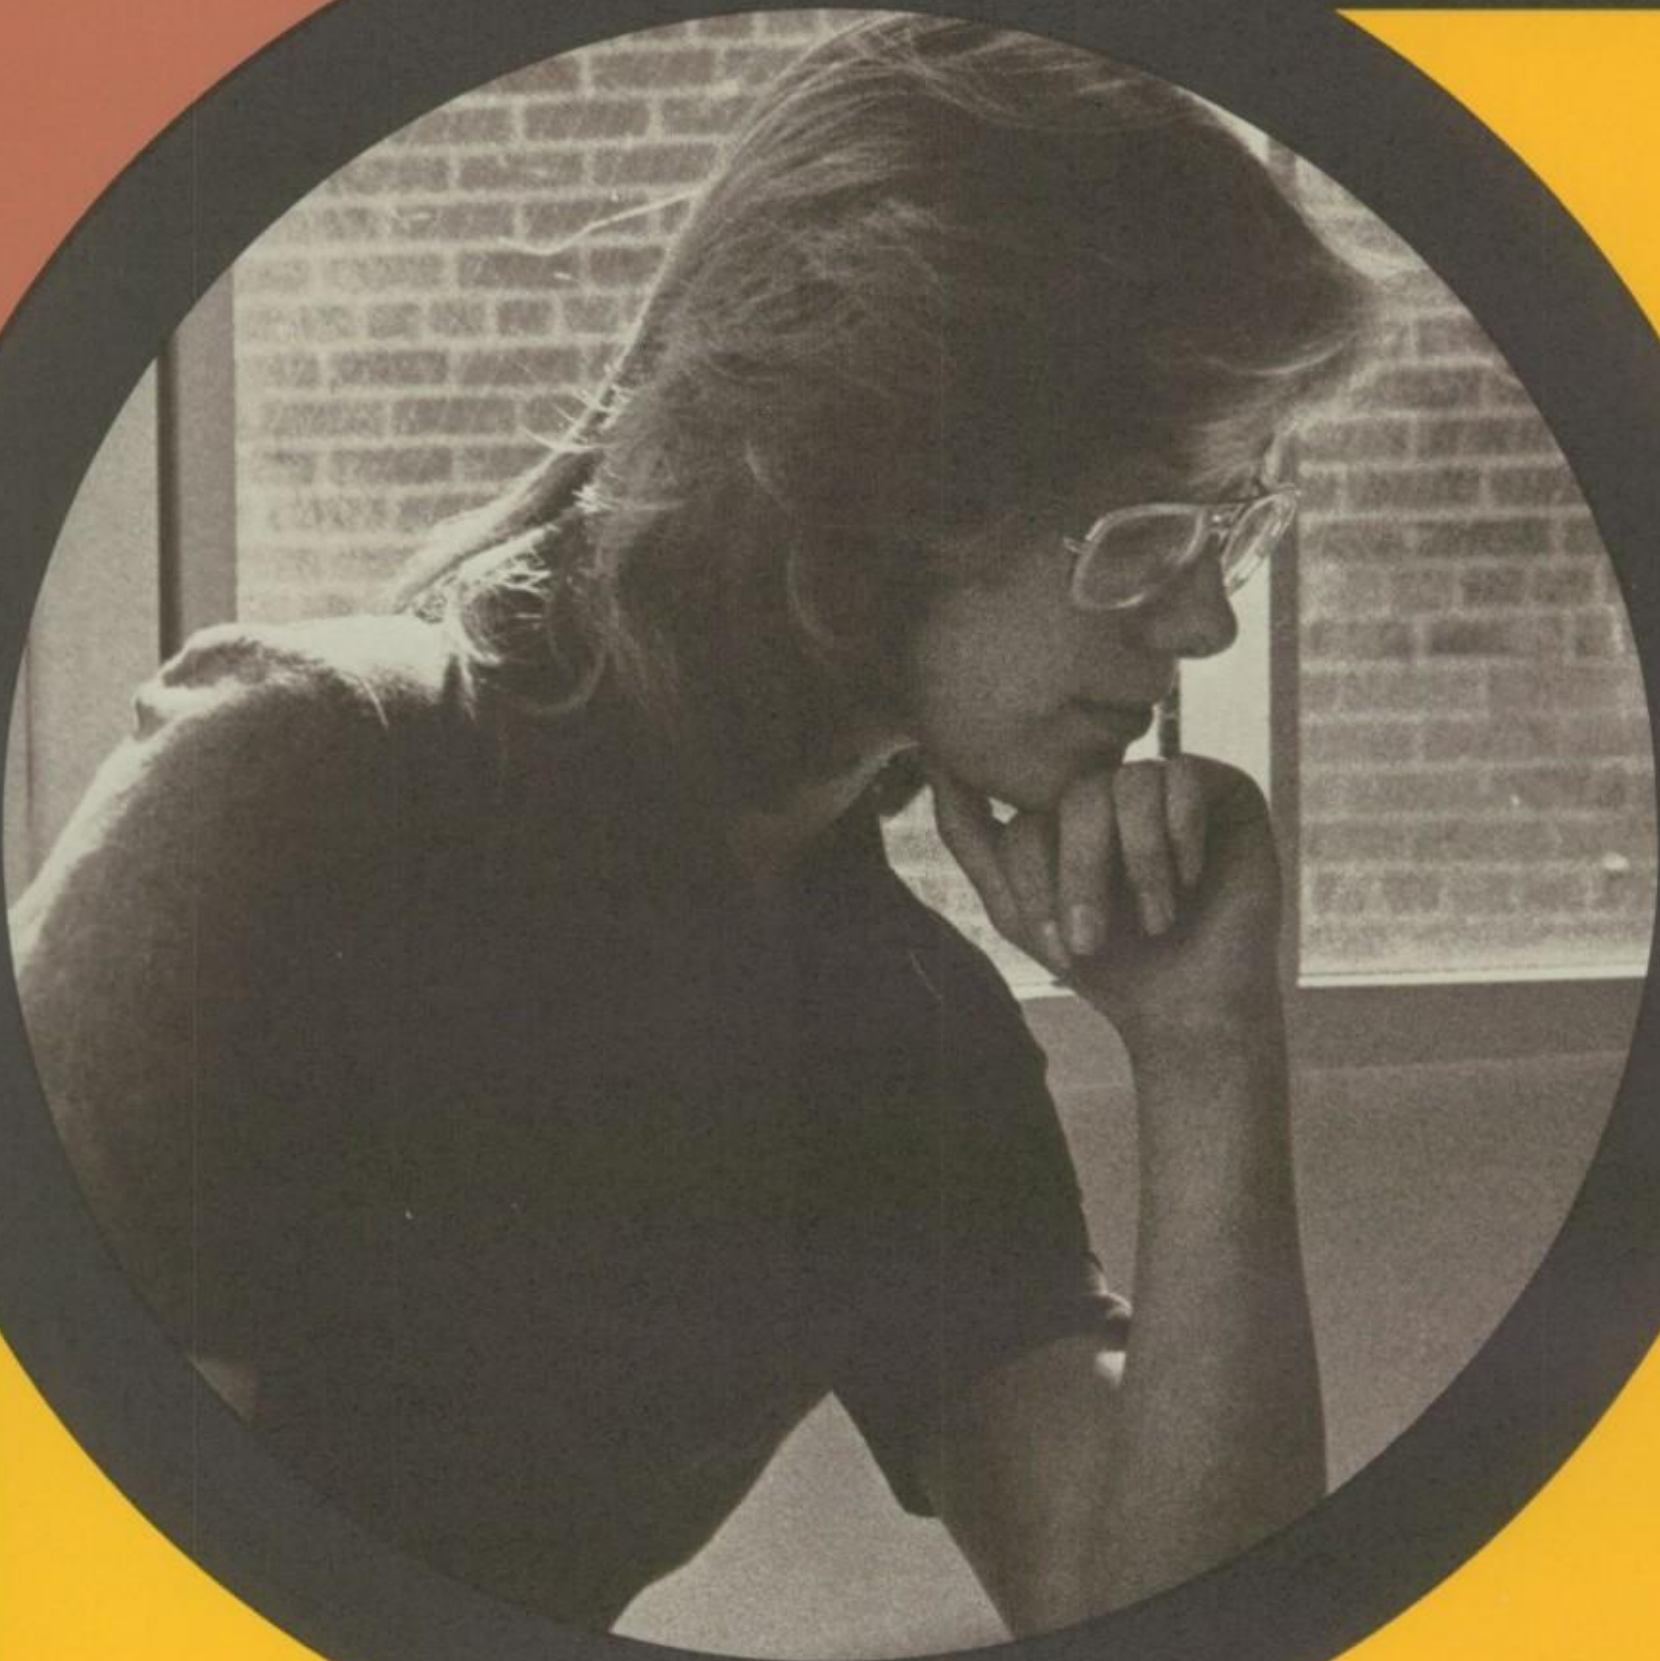

Maybe there's a chance for me to go back
Now that I have some direction
It sure would be nice to be back home
Where there's love and affection
And just maybe I can convince time to slow up
Giving me enough time in my life to grow up.
Time, be my friend and let me start again.

Charlie Smalls

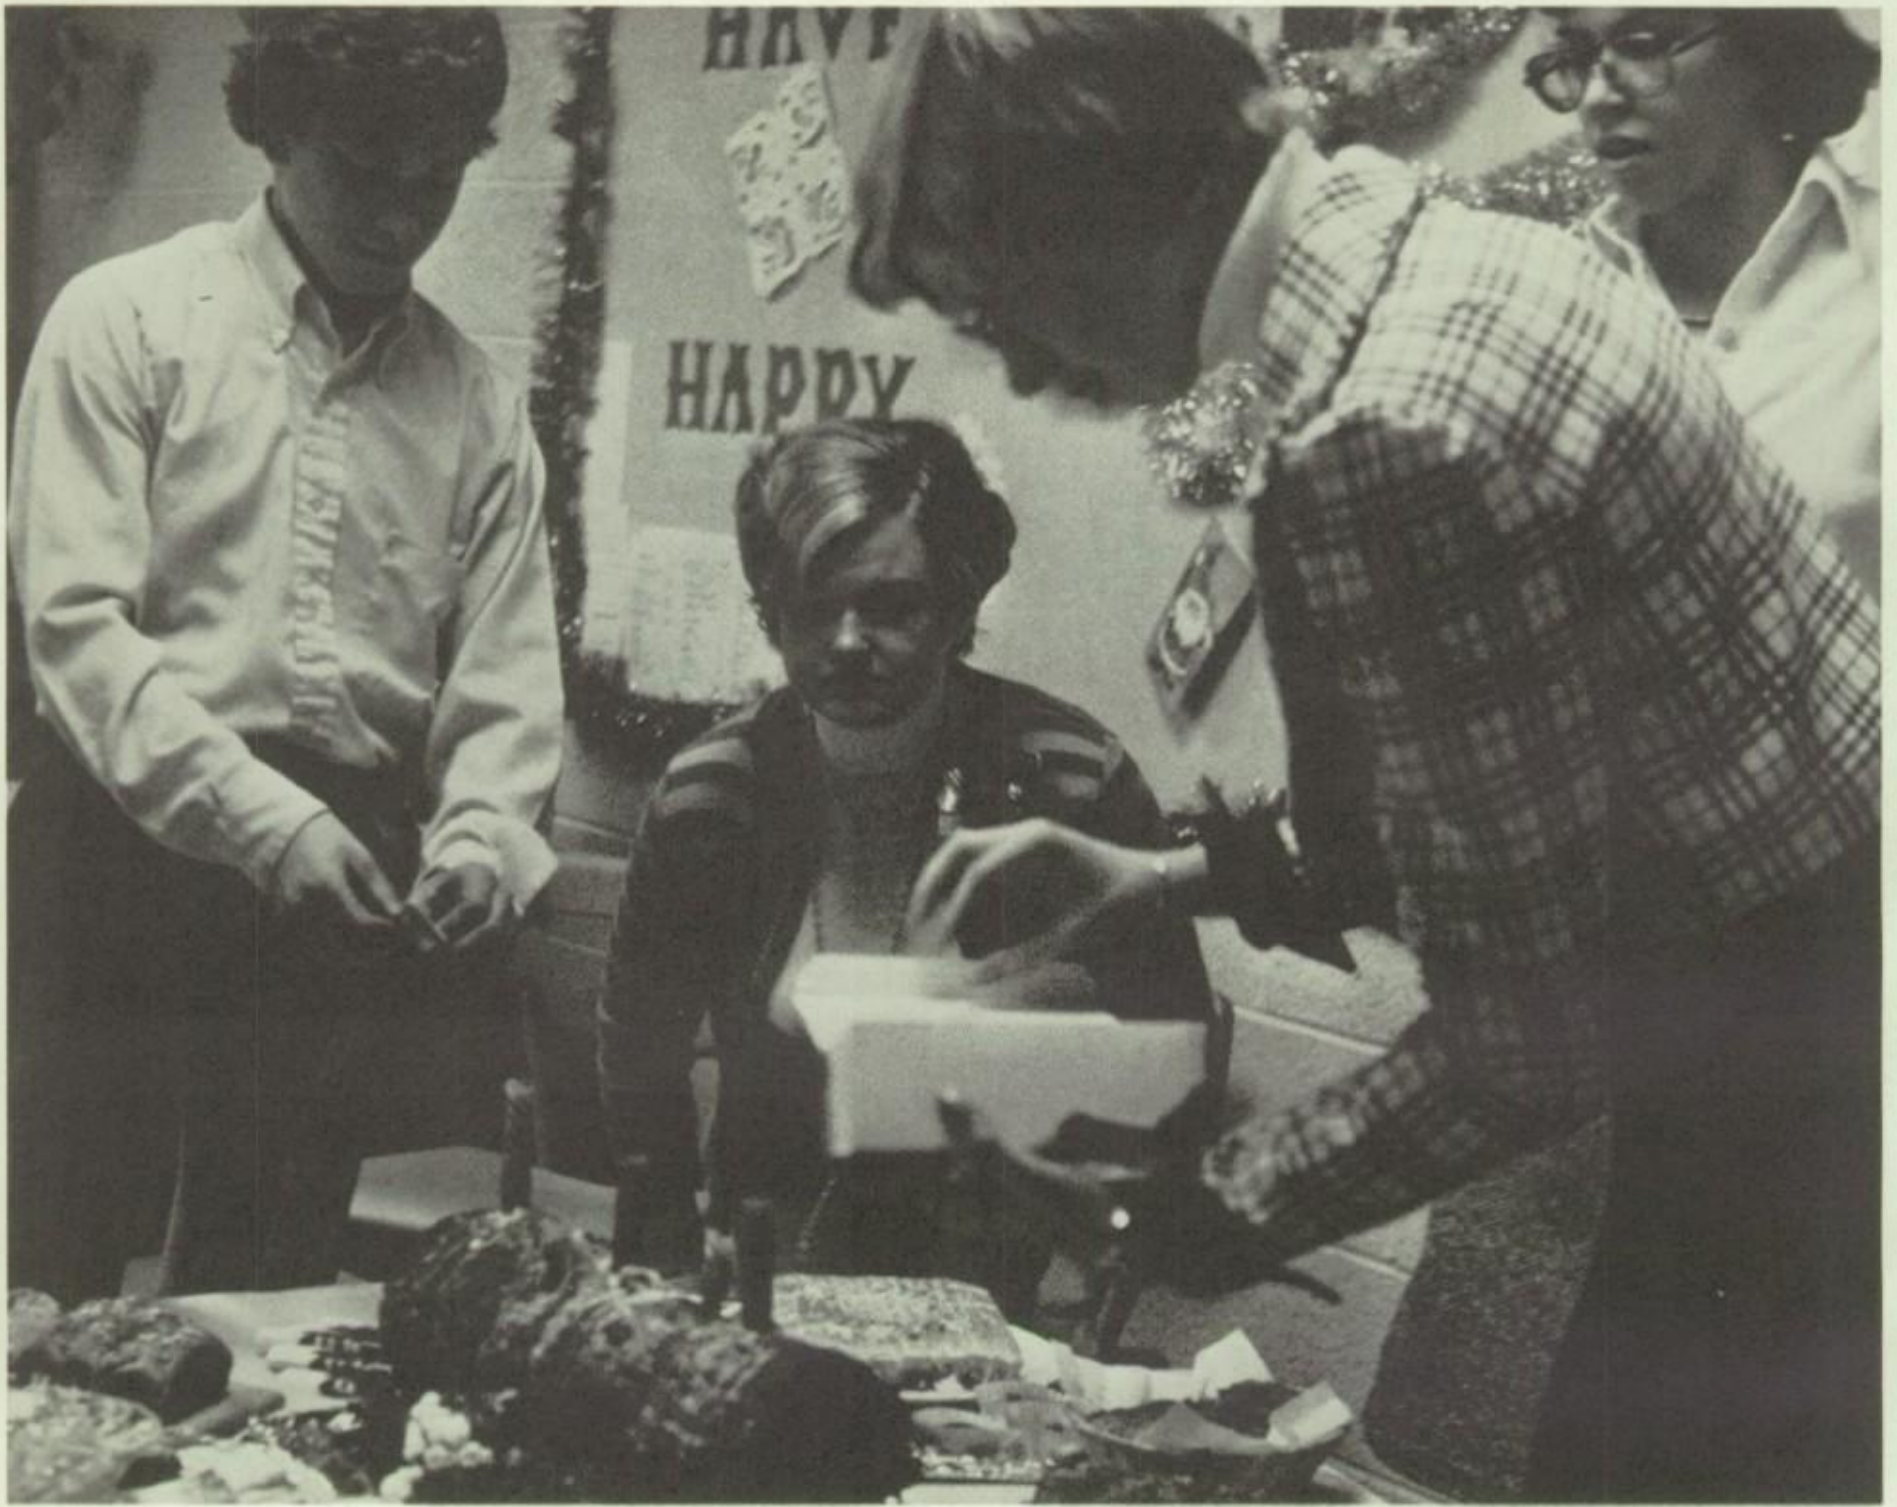

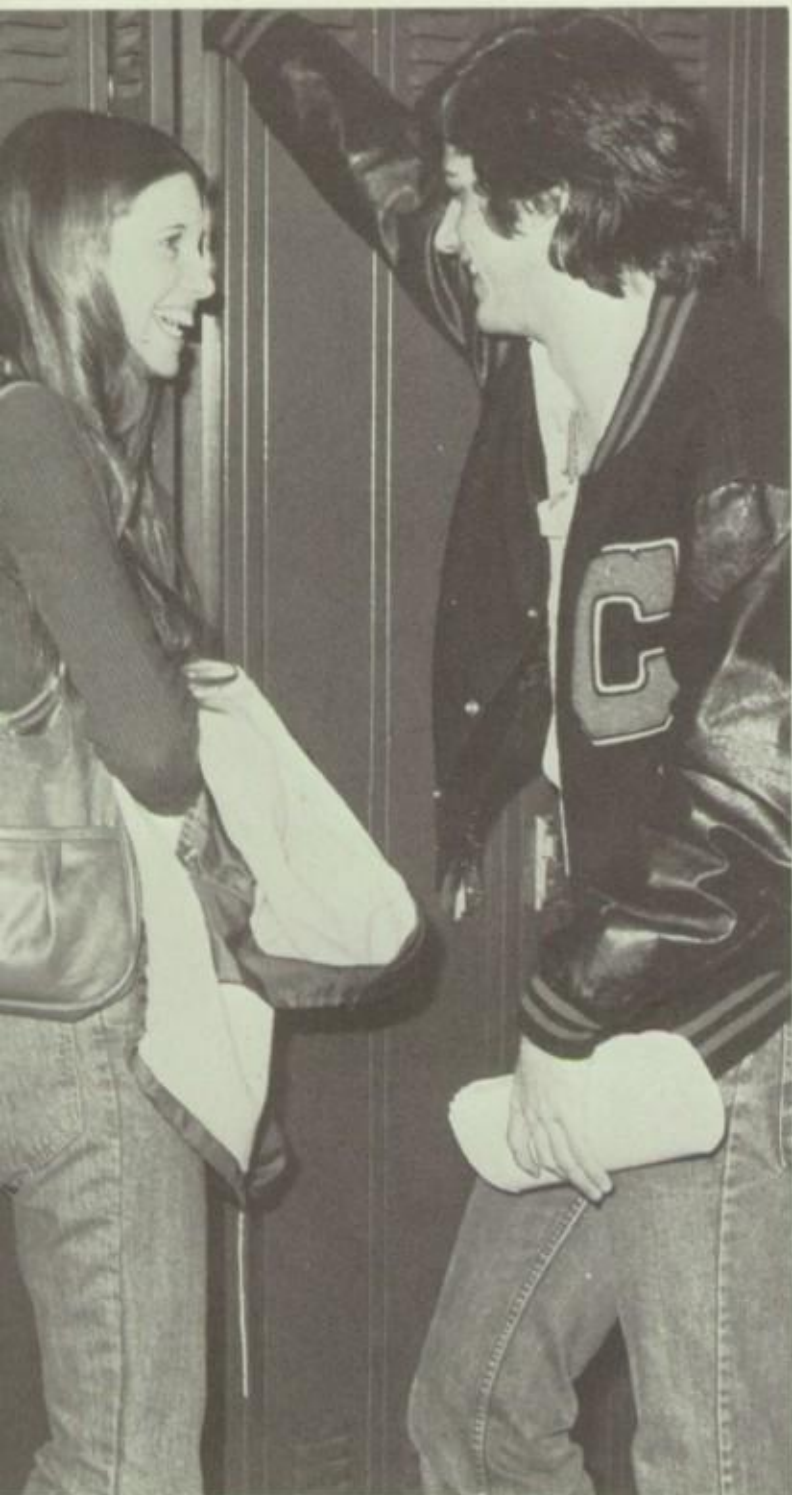

Times have changed
All my friends and good times being past
I live with only memories
Of times eternally today.

Phil Shangraw

Time is

too slow for those who wait,
too swift for those who grieve,
too short for those who rejoice
but for those who love
time is not.

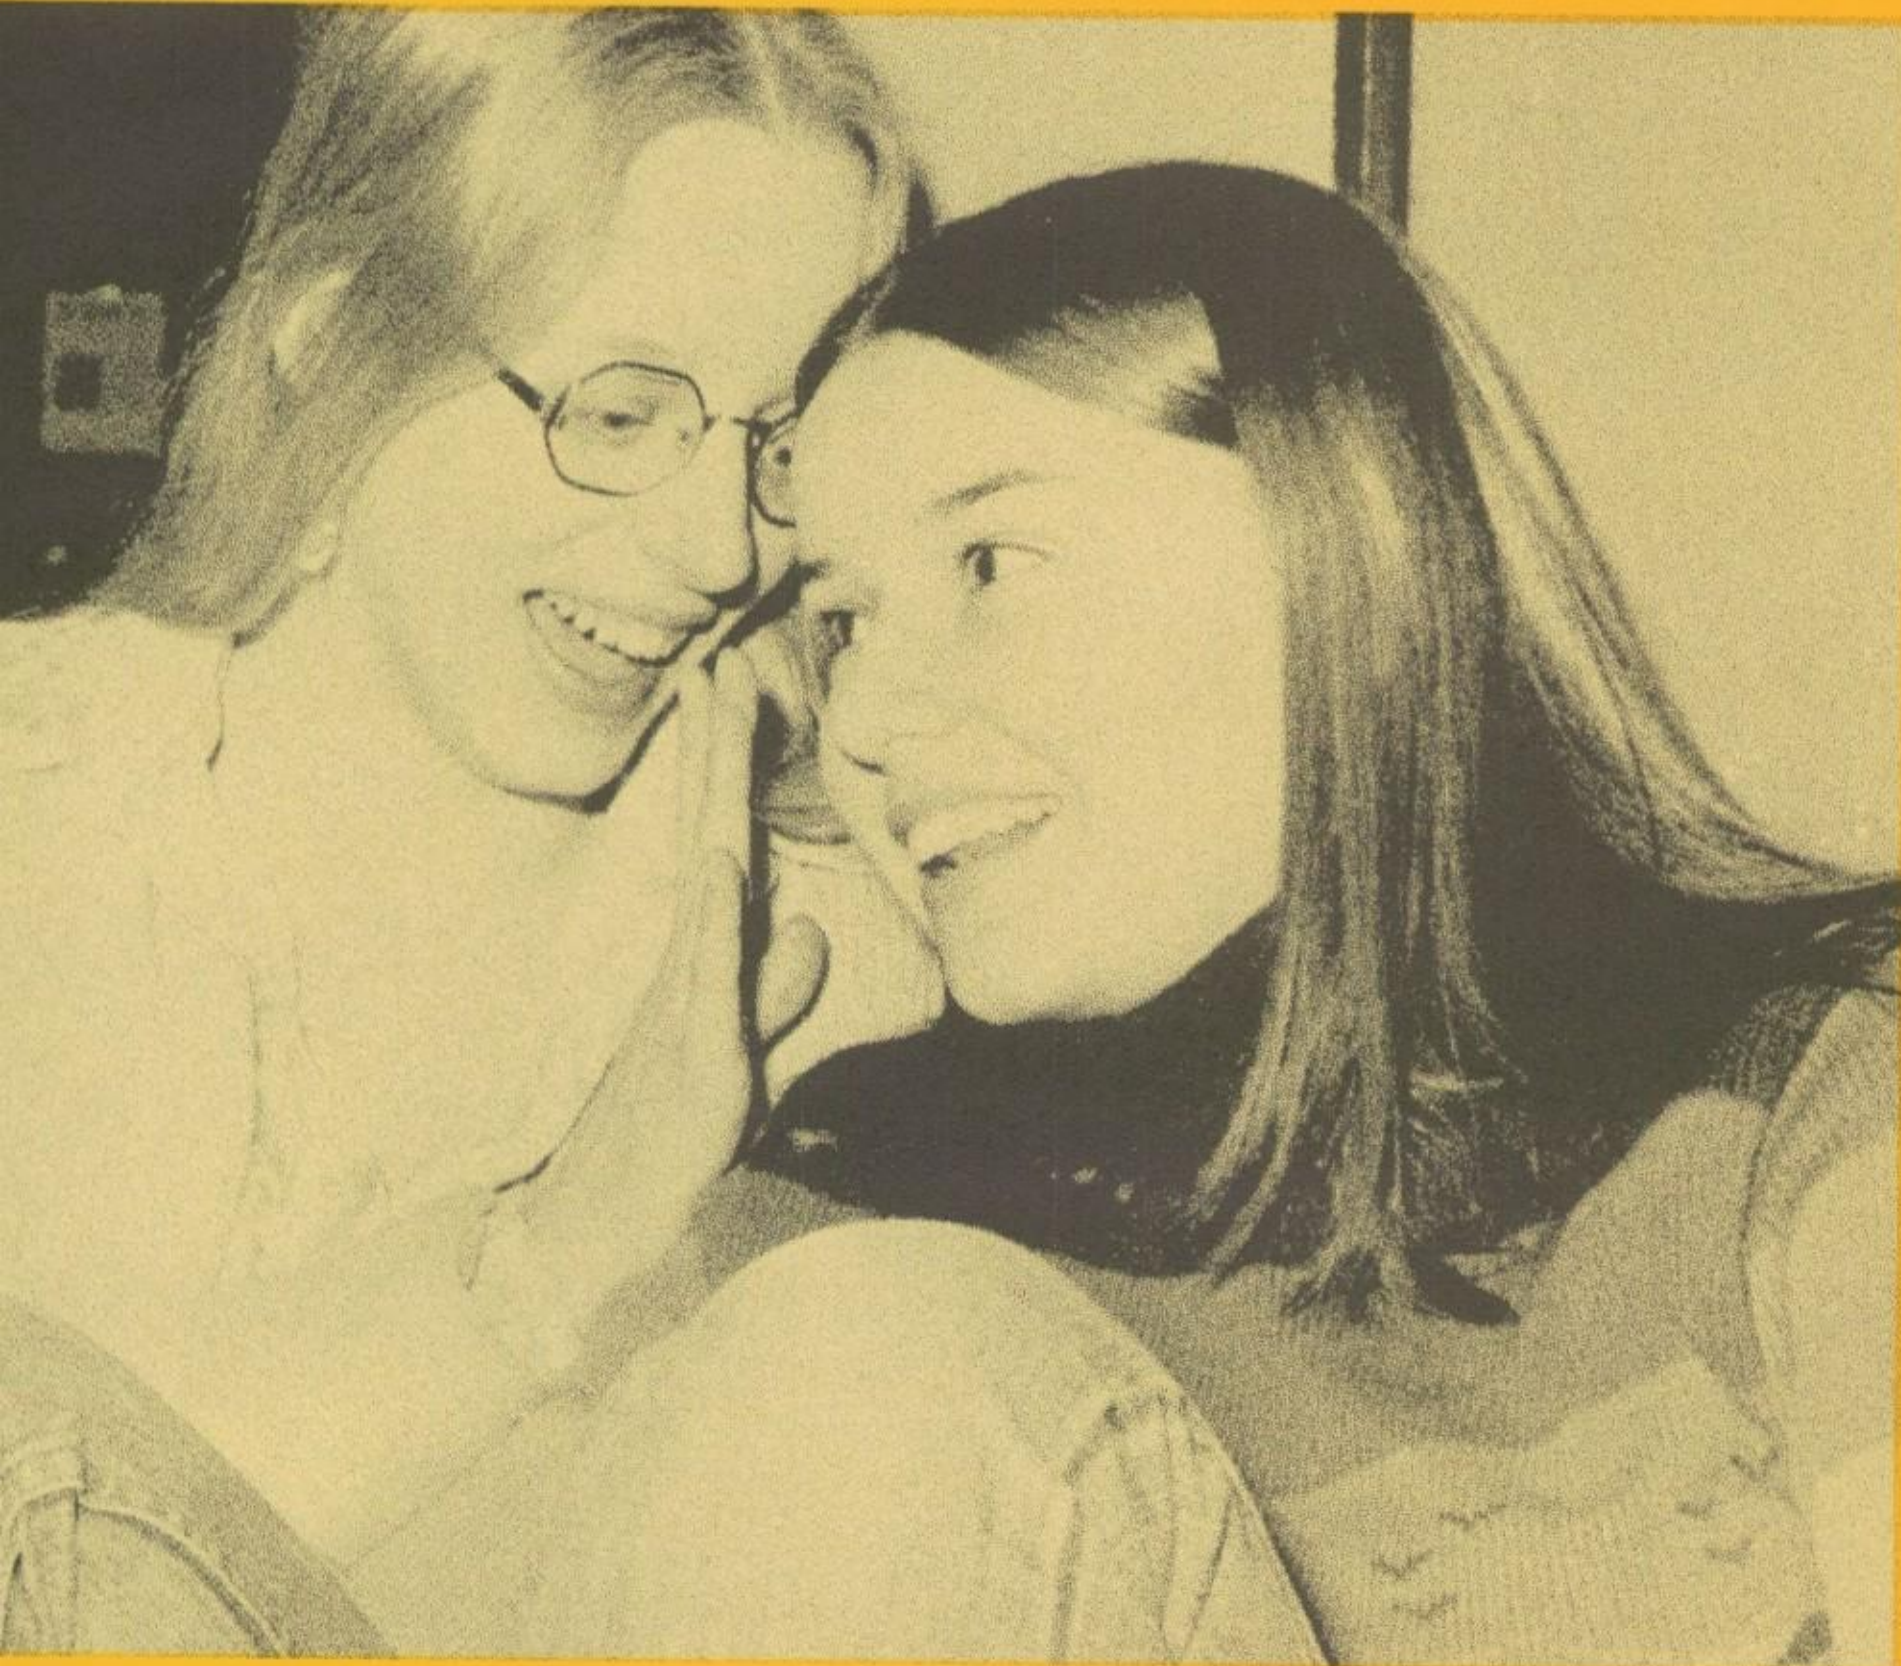

Henry VanDyke

Today
We need to share
 even the smallest joys,
Bubble gum and balloons,
We need to giggle
And say silly things
Or cry and
 experience the now,
That will soon
 be a happy memory.

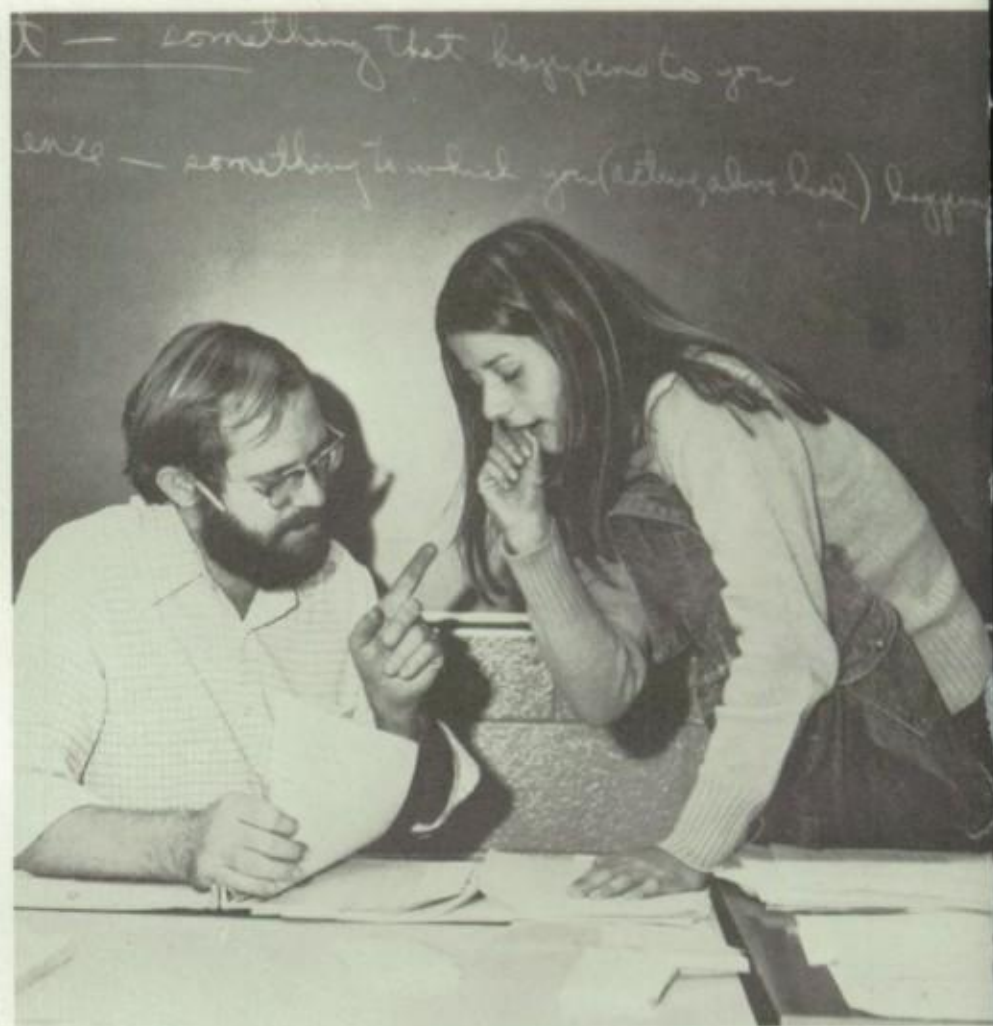

Dost thou love life?
Then do not squander time,
For that is the stuff
Life is made of.

Benjamin Franklin

'76 is a Year of Upheaval for Churchill

This was a tumultuous year for the school board and Churchill's administration.

The board had to deal with a teacher strike in the fall, threatened strikes later, budget cuts and disgruntled taxpayers.

Our administration was changed drastically. We welcomed Mr. James Carli as our new principal, Mr. John Graves and Mr. Kenneth Watson as new assistant principals. Mr. Robert Bentley returned as an assistant principal.

Under these circumstances the board and Churchill's administration were still able to meet the requirements of Churchill and the budget.

You've Got a Friend

The counselors at Churchill are more than just advisors, they are the students' friends. They work hard to help the students with schedules, problems, and future plans.

The counselors also assist the students with vocational interests. With their help, the students are exposed to varied occupational opportunities to direct them toward the future.

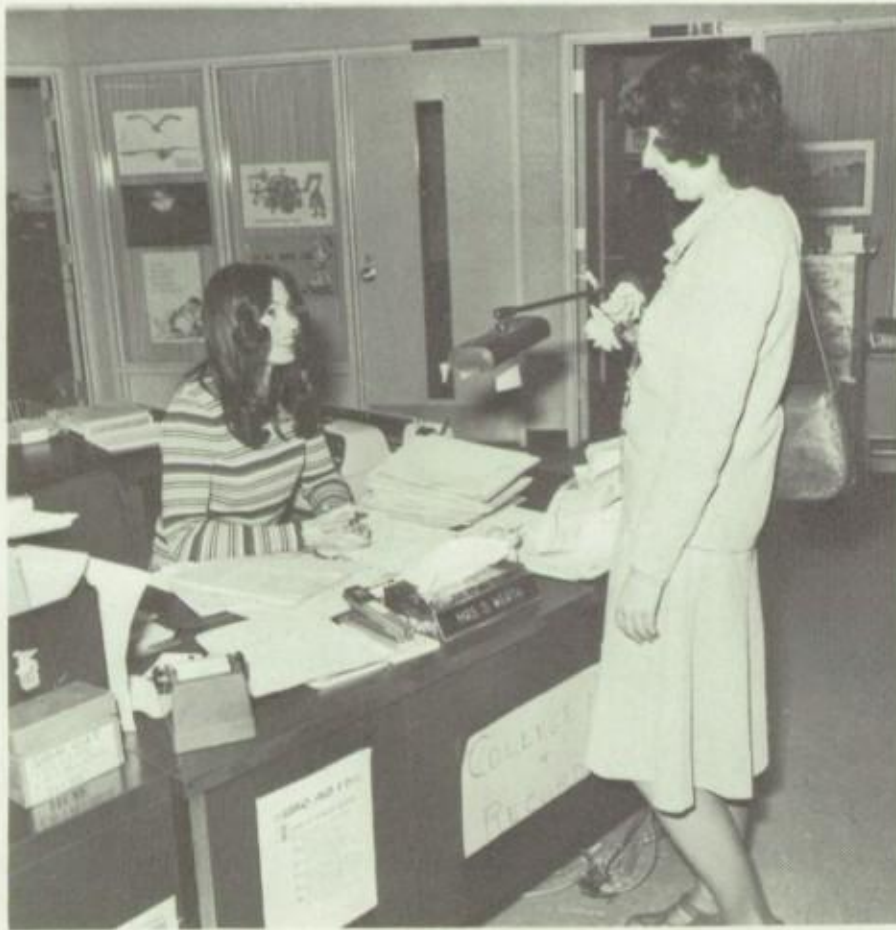

COUNSELORS: LEFT TO RIGHT: Donald Sedestrom, Robert Marks, Joanne Goode, Lucy Anne Bodary, Edward

The Gals Are Keeping in File

Churchill secretaries are getting along well with the new administration. While satisfied with the previous administrators, their new bosses have proven to be fine working partners.

The secretaries smooth the course and make it possible for the administrators to keep their area of responsibility functioning properly.

Some of the duties of a secretary include typing, shorthand, contacting parents, and maintaining files. Along with these tasks, they have to accept unusual situations, such as students with cut fingers and broken noses, and still remain calm.

Aides: A Great Help to the Pupils and Faculty

Who are the aides and just what do they do here at Churchill High School? They are three very important women who help the students in many different ways.

Mrs. Cassidy works hard to keep the Resource Center running smoothly so the social studies and English classes can use it.

Mrs. Emanuel strolls through the halls to help maintain order and discipline.

If anyone needs help with a subject Linda Mazzoni is the aide to see. She tutors many students in the school.

We really appreciate our aides and without them we would experience many difficulties.

Mrs. Cassidy **LEFT** checks in a returned book. **BELOW** Linda Mazzoni and George Vick look at a book from the Resource Center.

Cooks Serve America

In our Bicentennial, the Churchill cooks showed their true colors: red, white and blue, by serving Americana foods to the students of Churchill.

Special Bicentennial lunches were offered, each consisting of foods as American as apple pie.

The Churchill cooks even wore special colonial costumes to complete the picture.

Lend A Helping Hand

Everytime you unconsciously drop a gum wrapper or idly scratch at the wall with your pencil, you're creating a problem for the custodians of Churchill. Although each person's mess may be small, multiply that by 2,700 and the custodians are left with quite a bit to clean up. An additional factor to the custodian's dilemma is that the budget cuts have left them understaffed—each is now responsible for a larger percentage of the workload.

So, although the custodians do a fine job, their workload could be lightened if everyone would lend a hand and clean up after themselves.

Resource Center Budget Victim; Media Center Adds Sleuth

The Schrieber Media Center, composed of the library, headed by Mr. Bill Tate, and the Audio Visual Center, under Mr. Ken Patterson, has had budget problems this year because of the great number of disappearing books.

To solve this problem a book detection machine was installed. This machine, like many used in retail stores, beeps when a book which hasn't been checked out leaves the area. The Media Center hopes this machine will help cut losses.

The Resource Center also had problems this year. Because of a low budget, the Resource Center was closed when school started in September. In late October, however, money was found and Mrs. Jean Cassidy took her place as the coordinator of the Resource Center.

Memories for Business Dept

For the fall semester the Business Department had use of the Memory Typewriter that is shared with Franklin High School. This machine enables the business students to learn another facet of modern business, in which a typewriter can actually store data for any length of time. With the touch of a dial, it will relay back to you any information you have previously entered.

Along with other business equipment, the new Memory Typewriter was a big help to the Business Department.

Travel Verbally With the Foreign Language Department

By studying the language, customs and culture of another country, the foreign language student is able to vicariously experience the many delights of foreign travel.

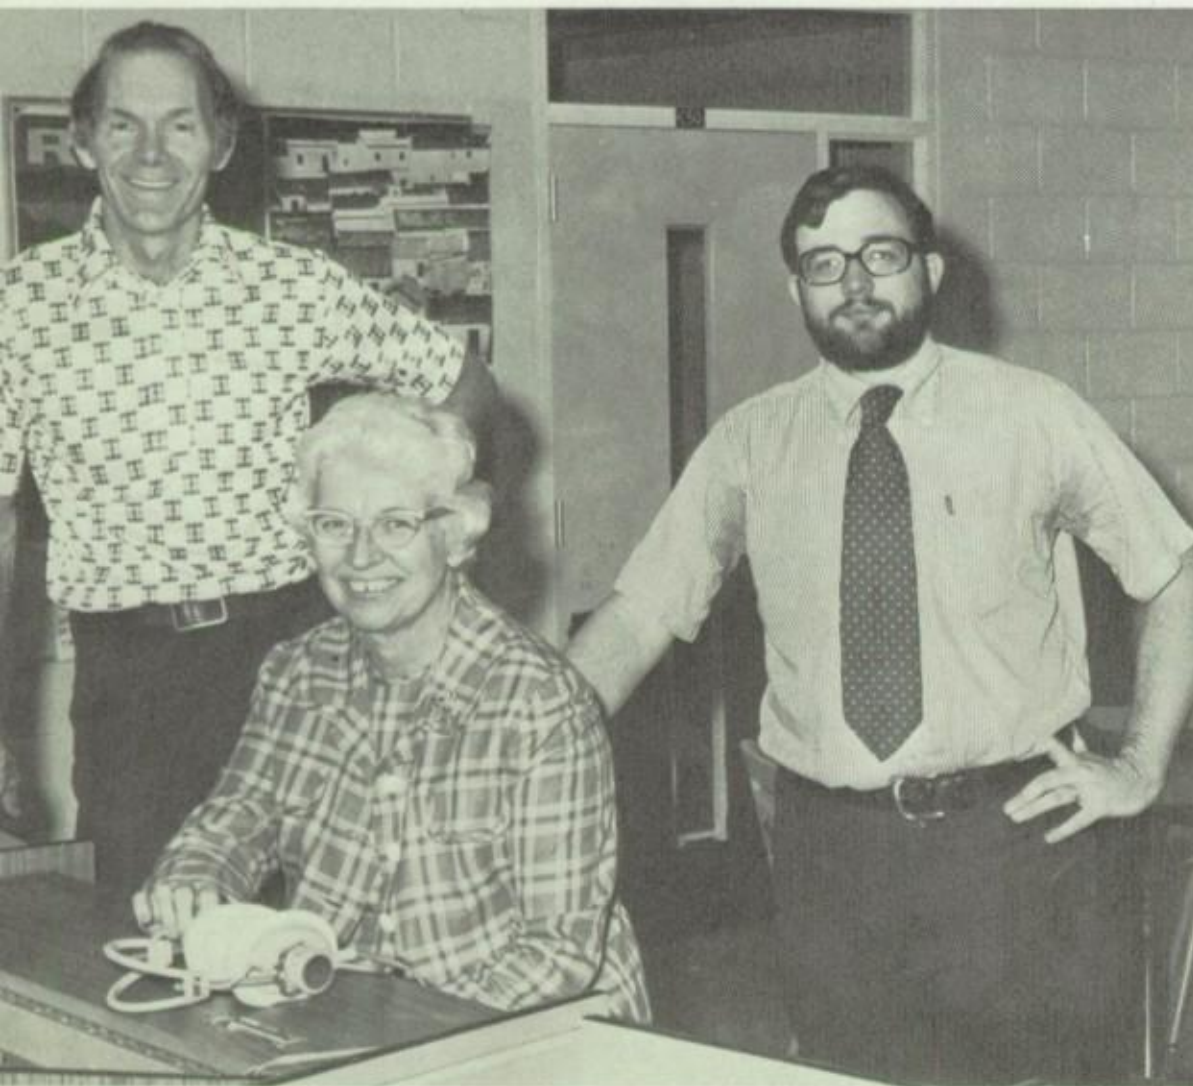

By use of the language lab equipment, the student learns to imitate the inflections and pronunciations of a chosen language from the taped dialogs.

Much emphasis has been placed upon speaking the language in class. Through drills, dictation, and the translation of paragraphs, students can become fluent speakers of the language.

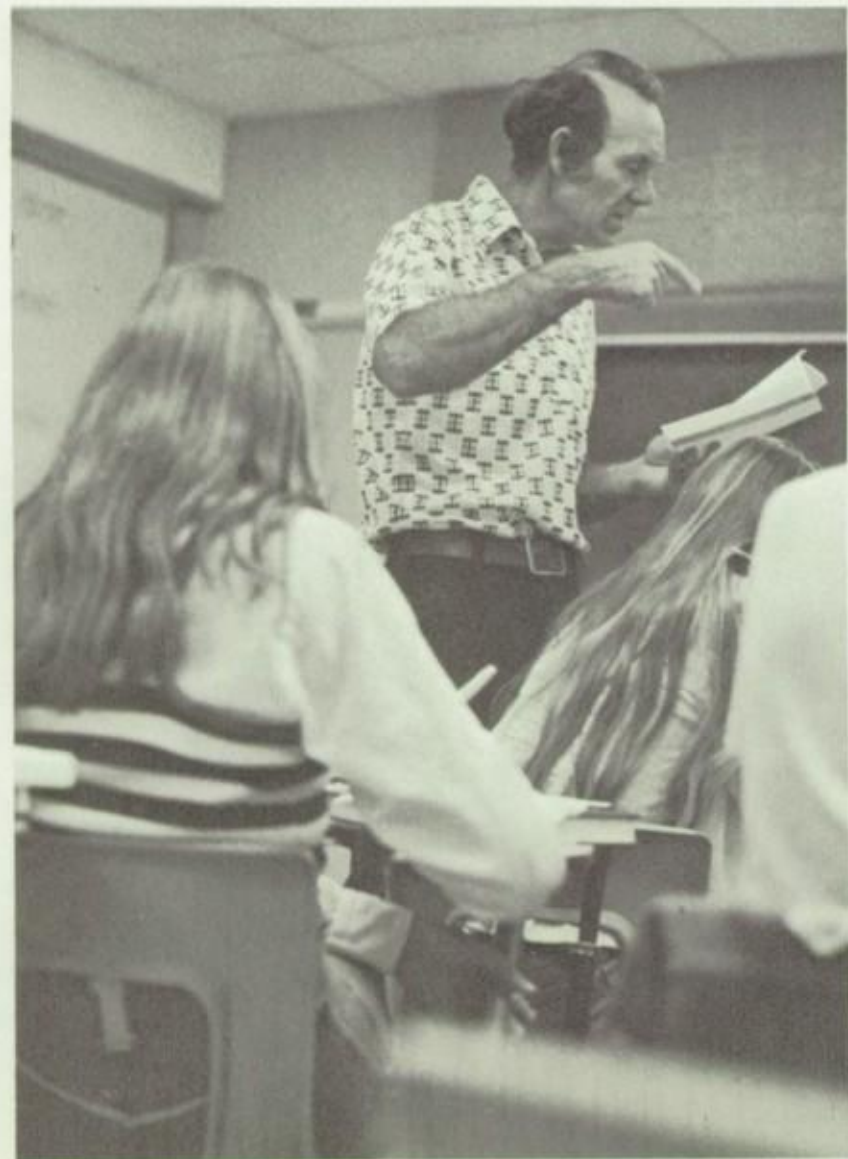

From in-depth studies of each country's geography, agriculture, industry and customs, the student becomes familiar with the language's background.

All senses can be involved in this learning experience, such as seeing films, designing murals, and preparing and tasting ethnic foods.

Fluency in a second or even a third language can be of great benefit after high school.

FOREIGN LANGUAGE DEPARTMENT: Charles Lectka, Evelyn McKay (Department Chairman), Kendall Weeks. **ABOVE RIGHT** Mrs. McKay listens and corrects a student's pronunciation using the language lab equipment. Barry Rafferty **RIGHT** questions a German assignment as Denny Mai and John Caskey go to work.

Attendance in the language lab is important in learning a language.

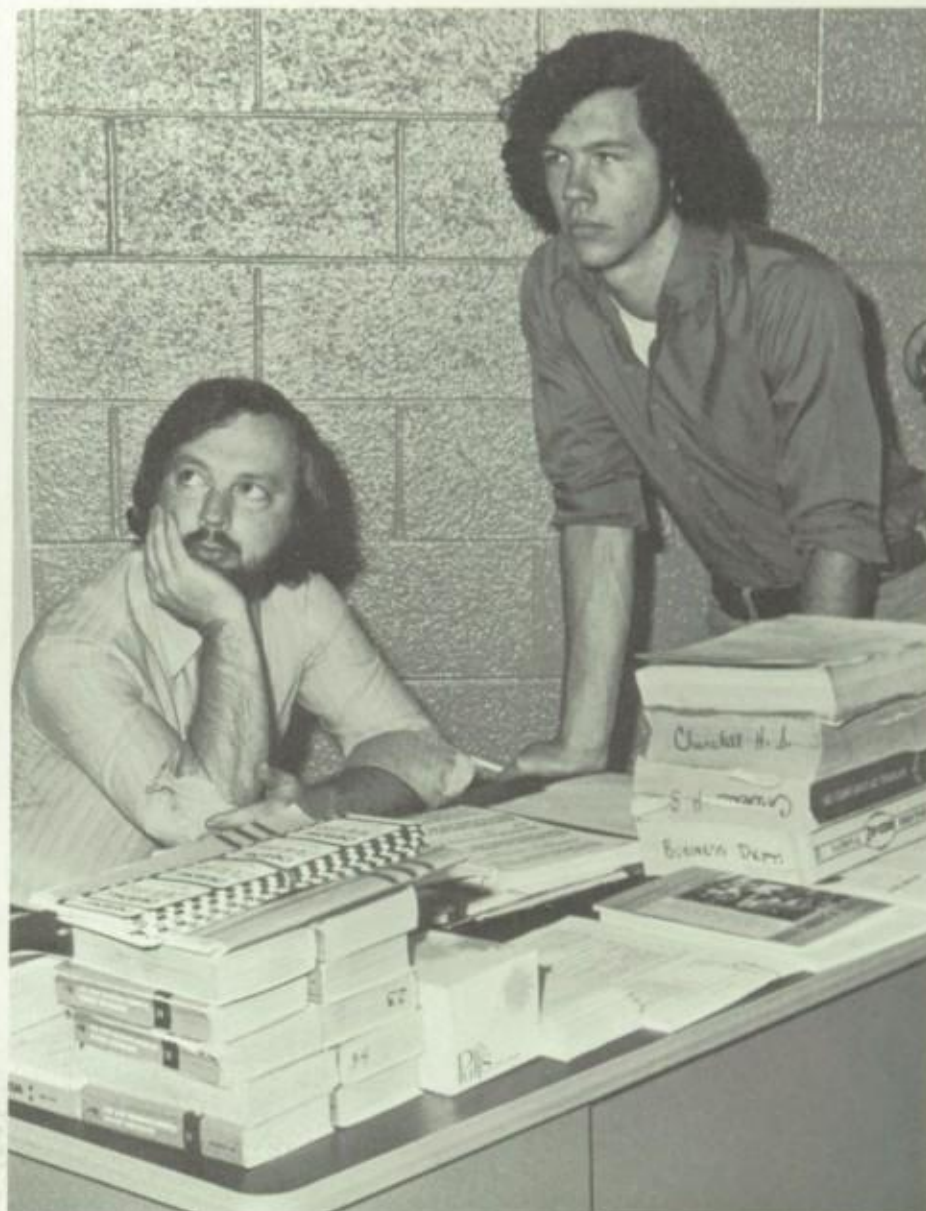

Many Forms Of Literature

This year the Language Arts Department had two new class offerings. They were science fiction which dealt with the exploration of the future, fantasy, and technology; and advanced creative writing which was taught on an individual basis, where the teacher acted as an advisor to the students who wrote poetry, short stories, and plays.

There are many more classes in the English Department. They range from Independent Reading to Radio and TV classes.

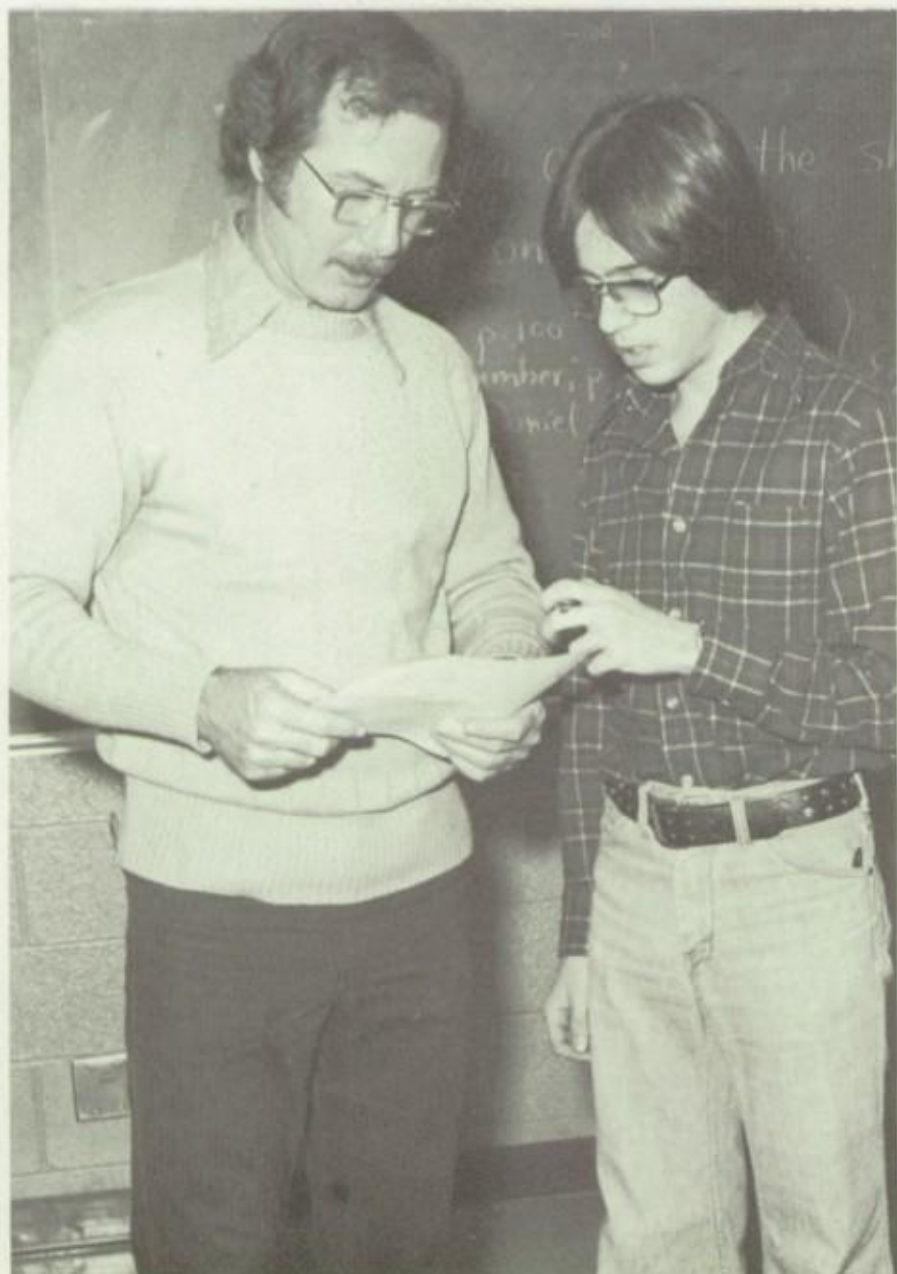

The Language Arts classes were very successful again this year because of the fine teachers who taught them.

Motivation in Social Studies

Social Studies classes are becoming more exciting thanks to many hard working teachers. They spend much time trying to motivate students and turn them on to social awareness.

Mr. Kaestner gave his classes a Thanksgiving feast. Everyone dressed up creating the same atmosphere as the first Thanksgiving.

The American Government classes spent time visiting government-run organizations in an attempt to learn first hand exactly how they work. Social Studies can be studied many ways, not only with books.

Computer for Math Department

This year the Math Department received a new computer. The computer was used by students to develop their skills in computer programming. The computer continues to be an important asset to the Math Department. It is just one of the many tools that the department uses to help students in the field of Math.

Sci. Dept. Is Versatile

Our science teachers not only worked hard in the area of science, but they helped Churchill in other activities. Mr. Morawa and Mr. Braun coached wrestling and JV football. Mrs. Elkins, Mr. Skuratowicz and Mr. Braun sponsored the Bowling League, Ping Pong Club and Chess Club respectively. Mr. Olson and Mr. Atkin ran an electronics repair program that fixed electric items. Ms. O'Rourke put much time and money into the greenhouse program. Finally, Mr. Peterson, Department Chairman, served on many school committees.

Ind. Ed. Emphasizes Careers

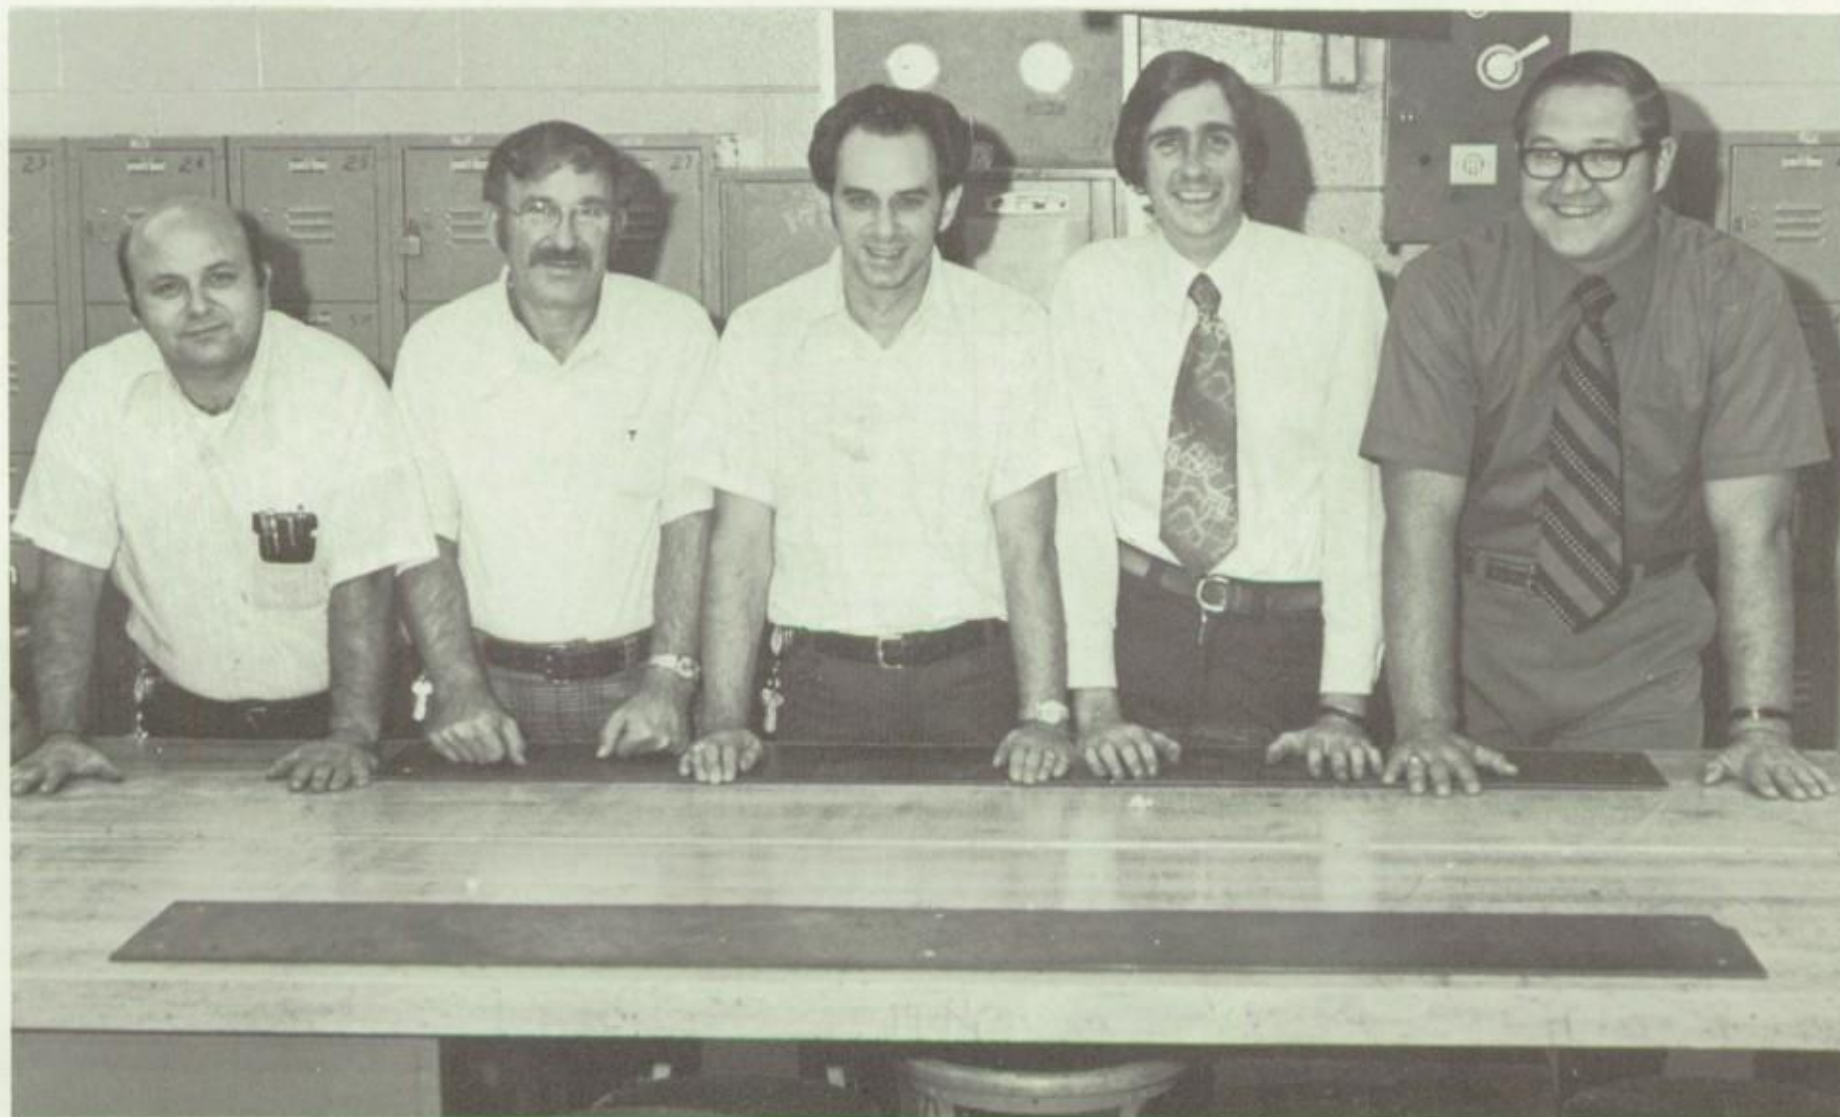

This year the Industrial Education Department offered students an opportunity to study woodworking, drafting, metals and automotive mechanics. Students could take the beginning courses in order to learn the basics in the area, then proceed to more advanced classes which provided them with the necessary skills for a worthwhile career.

The department had a student teacher, Mr. Glenn Miller, assigned to the automotive program under the guidance of Mr. Andrew Kish.

The members of the department were proud of their showing in the Homecoming day float competition. Their rocket was the Grand Prize Winner.

Home Ec Dept. Paves the Way

High school students are nearing the time in their lives when they will be on their own, having to fare for themselves in the big, outside world. The Home Economics Department helps to pave this sometimes rocky road with a well rounded education in those practical areas we must someday take for granted.

Knowing that a person can eat only so many T.V. dinners, the Home Economics Department teaches students the basics of good cooking with a knowledge of nutritional value for a well rounded diet.

Students are also taught the fundamentals of sewing, ranging from sewing a proper seam to the designing of their own clothing. Because a good variety of classes is offered, accomplishments can be endless.

Home Economics paves the way with knowledge that will be useful in the future.

The Sky's the Limit With AFJROTC

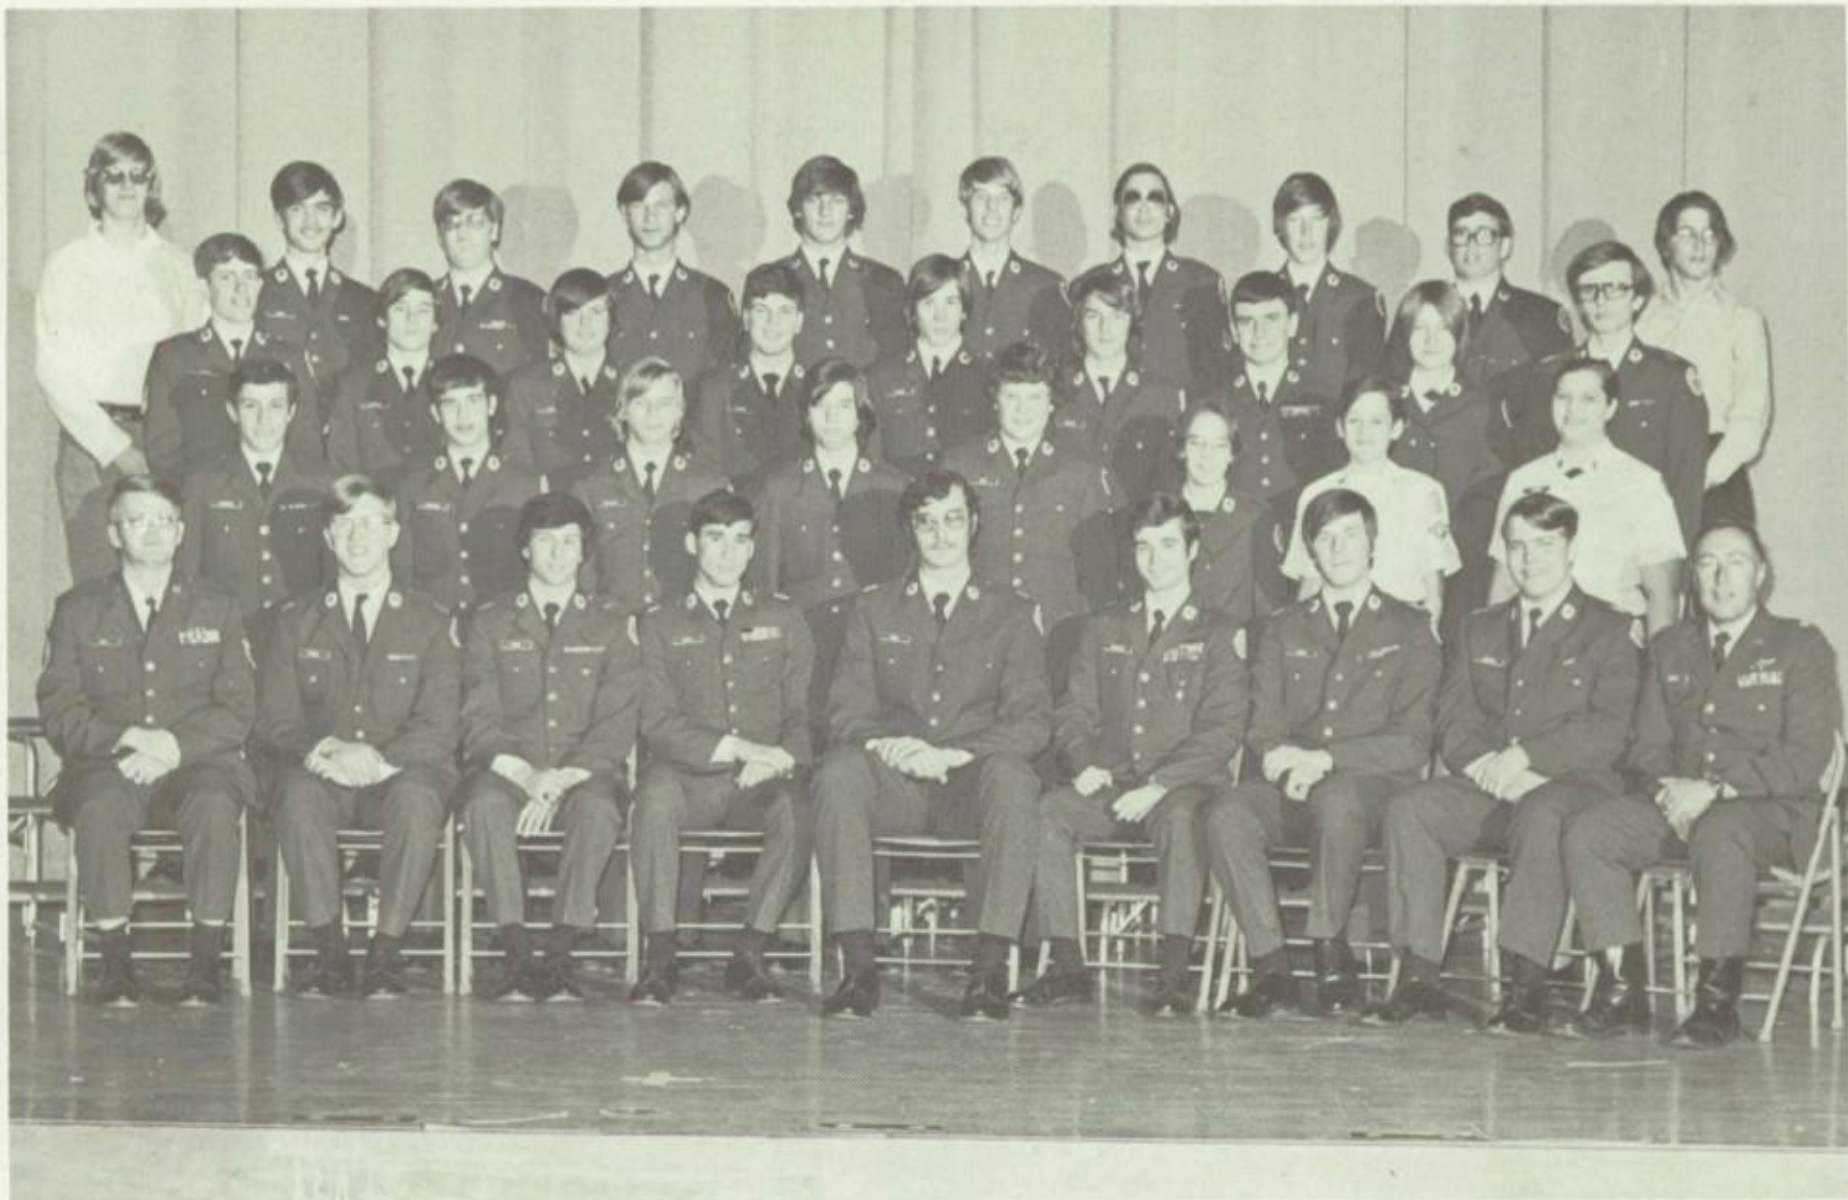

This year Major Cy Merritt joined with Sergeant Harvey Davis in making up the staff for AFJROTC. With their help, many students had the opportunity to visit Selfridge Air National Guard Base. The students were briefed on the facilities and some participated in a helicopter flight.

There are many at-school activities that AFJROTC students can participate in such as their basketball team, color guard, survival class, and even a military ball, where students can meet with other ROTC units.

Burning Energy with Physical Ed. Prepares Students for Olympic Year

PHYSICAL EDUCATION DEPARTMENT: Larry Joiner (Athletic Director), Carol Benninger (Department Chairman), Fred

Price, Audrey Kather, Herb Osterlund. **NOT PICTURED:** Pat Montagano.

During this Olympic year the active and energetic faculty members in the Physical Education Department tried to condition Churchill students.

The staff encouraged all students to develop skills in many different areas. The scope of activities presented in gym classes was wide. It included activities ranging from basketball to gymnastics.

Students found that Physical Education is not only hard work, but a class where they can have fun, too.

Churchill's Art Department Paints New Mural

The Art Department, with all its available talent, had many activities this year. One of its most exciting projects was painting murals on the walls near the art rooms. Also, student work was offered for sale at Christmas time.

Many different classroom projects were carried out under the supervision of Mr. Maurice Musick, Department Chairman and the four other art teachers. These included pottery, painting, drawing and macrame.

Choir—A Notable Success

This year's choir participated in the first mass concert with the other Western Six choruses as the Western Six League was stretched to accomodate choral groups.

The grand piano fund swelled this year as the choir institutionalized the "Breakfast Club" which allowed hungry students to eat before school.

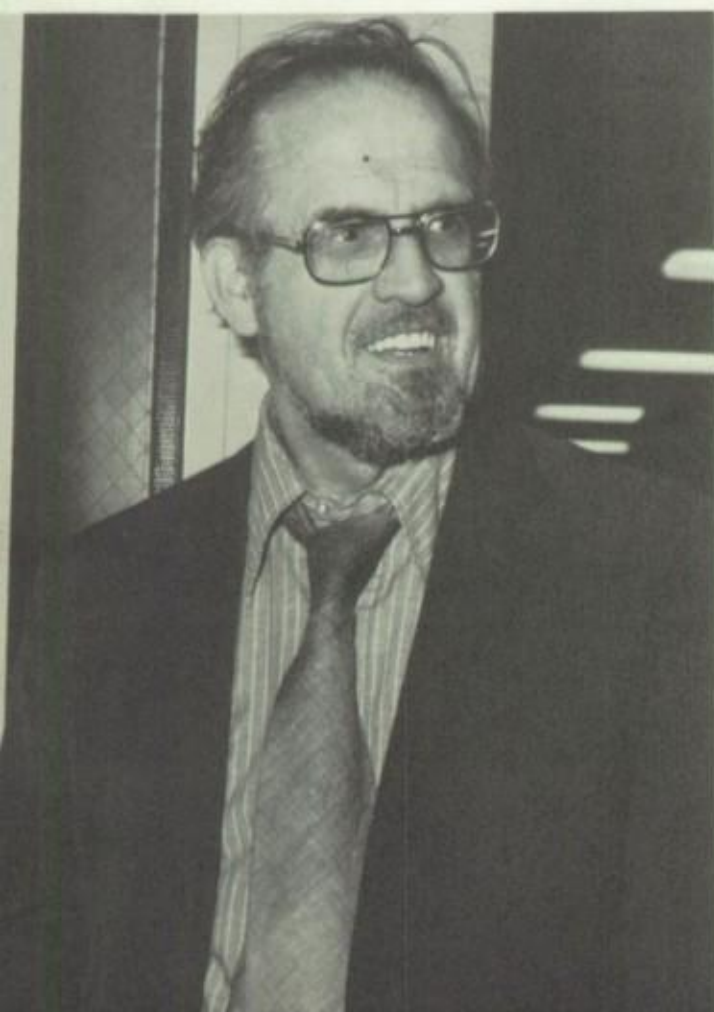

This year, instead of small madrigal groups, the choir formed a chamber choir of 20. This group sang at many functions as did the choir.

Directed by Mr. Jack Trudgeon, the choir continued its fine history of musical excellence.

Festivals Highlight Year

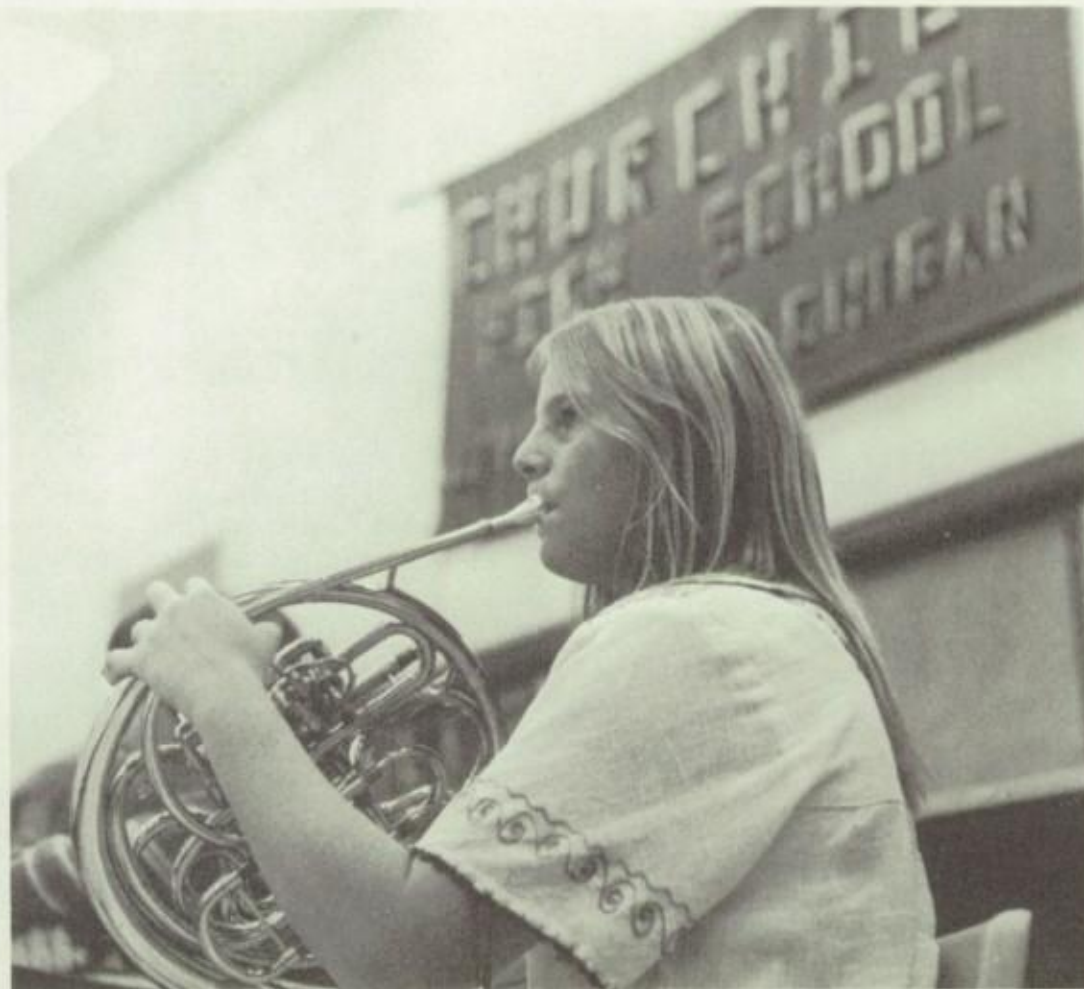

Orchestra festival was one of the big events for this year's orchestra. Mr. Jack Trudgeon's orchestra celebrated the Bicentennial with an original composition by Wayne State's James Hartway.

The Symphonic Band also went to festival this year. The band under Mr. Herbert Hammond played in the Pops Concert, the Christmas Concert, the Cabaret Concert and the Spring Concert.

'And the Bands Played On'

The bands at Churchill are all composed of students wishing to improve their musical skills. Each band, however, has its own specific objectives.

The Varsity Band is mainly sophomores and upperclassmen without a lot of musical experience. This band, directed by Mr. Herbert Hammond, introduces students to more advanced musical works.

The Stage Band involves students who are interested in more musical experience than they get in the regular curriculum. This band allows students to try contemporary pieces as they perform in concerts and shows.

The Pep Band, led by senior Dina Mansour, instilled pep into the spectators at football and basketball games. Each Thursday its members rehearse their spirit-rousing numbers.

The Marching Band had a lot of marching practice this year as they marched in EMU's Homecoming Parade, Livonia's Memorial Day Parade, through the streets of Greenfield Village and at U of M's Band Day.

Under the direction of Mr. Herbert Hammond, the band practiced many hours after school and in the summer to get ready for the parades and for their football half-time shows.

Harriers Win Big

The Churchill Harriers had a spectacular season. They came in second in the state meet. The team was lavished with more awards than any other year. This year marked the sixth consecutive year that the team won the Western Six title. Individual honors went to Todd Wint. He was a member of the All-Area First Team and was the fifth place holder in the State "A" Finals. Other outstanding team members were Vic Wietecha, Keith Stoddard and Alan Martens.

Golf Team Par for Season

This year's golf season was highlighted by two tournaments. The team placed 11th of 31 teams in the state regionals and tied for 5th place of 21 teams in the Plymouth Bestball Tournament. The team had a win-loss season record of 7-6.

Pat Montagano did a fine job as coach of

the team. Bob Hughes and Ray Glenn co-captained the team. Ray was chosen the most valuable player, received All-League recognition and held the lowest league average.

The entire golf team worked very hard and did a fine job of which both the team and Churchill can be proud.

Varsity Wins League Title

According to Coach Kaestner, the Varsity Football team this year had "very fine senior leadership." And leadership it did have, as this year's Chargers won the Western Six Football Title.

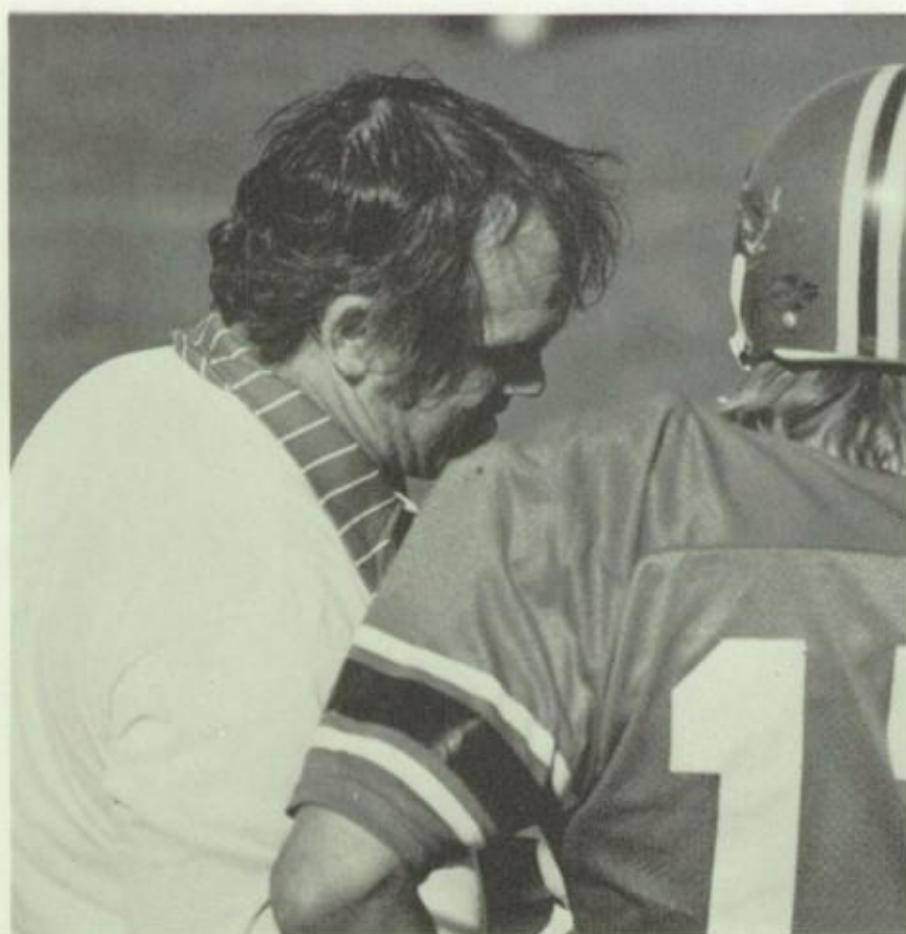

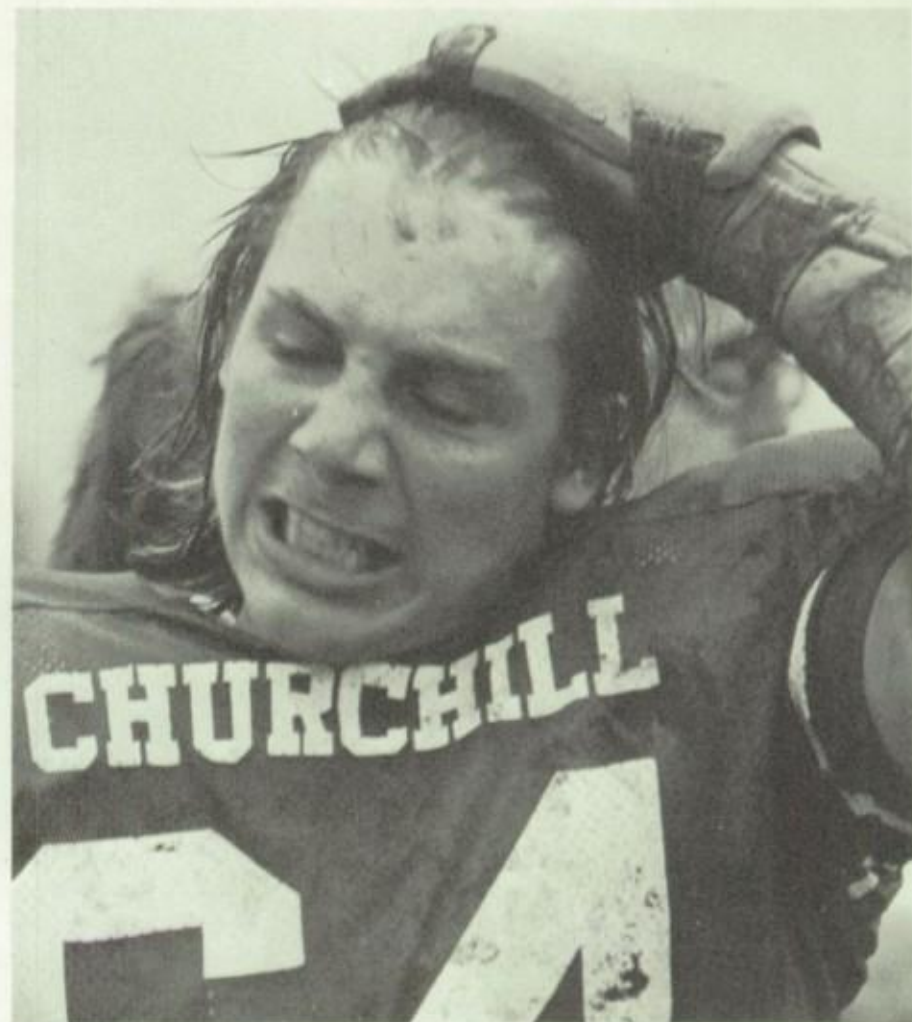

All-League, outstanding seniors were

George Bielis, John Curran, Matt Foster, Scott Levitan, Mike Streicher, Mike Welsh and Jim Wright.

Matt Foster won most valuable player this year. He was the leading scorer among many other honors.

Mark Dewitt **RIGHT** expresses anguish over a hard play, while **BELOW** Coach Kaestner discusses strategy with a player. **BELOW RIGHT** the Chargers in action against Mott. Coach Frayer **BELOW FAR RIGHT** gives word to the team.

Effort From JV Team

BELOW Ray Progar and Dave Abee do their best to keep their opponents from getting the basketball.

The JV Basketball team gave their best effort for each game through the entire season. The team posted a 5-15 season which was not really indicative of their play near the end of the season.

The team was led by Dave Kielty in the free throw percentage and rebounds. Craig Hanton led the team in scoring with 212 points for an 11.2 game average.

Not only did the Chargers shoot for the League Title, but they captured it as well. The team pulled CHS out of the slump they were in last season. This marked their fourth title in five years.

Tom Bay, Dave Clare and Matt Foster were first team All-League winners. Special awards went to Matt Foster who was all-time scoring leader, accumulating 630 points. Dave Clare was voted MVP, and was high scorer for the season with 366 points. Tom Bay received recognition for having most rebounds. All three players were nominated All-Eagle and Observerland. Scott Shepard had the best free throw average.

As Coach Montagano put it, "Each team member has a personal part in helping to build a fine Churchill tradition. To you Chargers of '75-'76 we say, Thanks for Bringing Us Back!"

Smooth Strokes by Swimmers

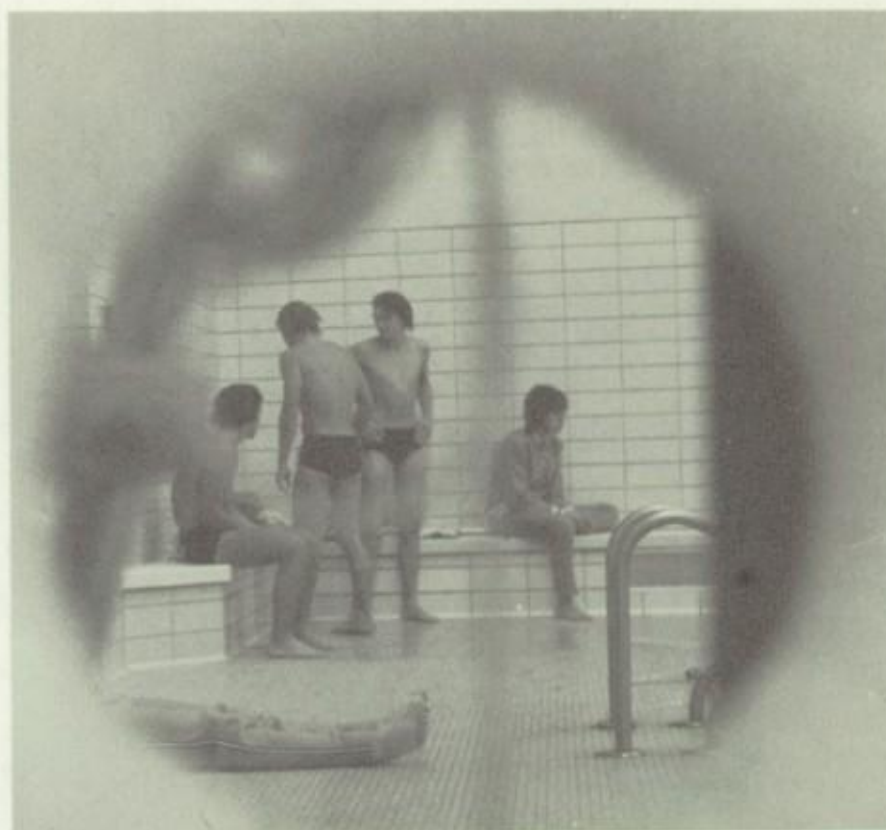

The Churchill swimmers made a great try this season, and did a good job against their opponents. The coaches that supported the Chargers this year were David Tavidian, Neil Peterson and Diving Coach Roger Murphy.

Randy Emerson broke the school record in diving and Joe Gessler broke his own record in the breaststroke. With team work and effort the season went very smooth.

Pucksters Rebuild

This was a year for the hockey team to rebuild. Under their new coach, Mr. Pete Komlen, assisted by Mr. Edward Segowski, the team got off to a slow start. However, as the season progressed the young pucksters improved greatly and ended with a 4-10-2 regular season record. The returning players are looking forward to next year when they will be contenders in their league.

That's Entertainment

With the help from their sponsors, Renie Sinclair and Robert Wesolowski, the 1976 pom-pom girls supplied a lot of entertainment during half-time at all the basketball games.

The performers also set a new record in the Livonia school system. Churchill is the first school in Livonia to have three sets of sisters on the same squad.

Many new faces, new uniforms and new routines made this year's squad a performing group to remember. All the work that was put into preparing the routines paid off as each one turned out very well.

Few of the members will be leaving, so the squad will continue to entertain in high style next year.

Varsity Cheerleaders Get New Look And New Sponsor for 1976

The varsity cheerleaders have made some big changes. Their new sponsor, Mrs. Steiner, helped them out tremendously. The girls also raised money for new uniforms and made up some new cheers to go with their new look. Captains this year were seniors Debbie Romano and Carol Pacholek. One thing stayed the same though: the girls' cheering ability. This made everyone want to yell and shout!

JV's Learn Hello Cheer

The J.V. Cheerleaders are so enthusiastic this year that, through their cheers, they generate excitement in the stands. One advantage the girls have is the many new jumps, stunts and cheers. Netters Hit With Losses

The girls' tennis team ended their fourth season with a record of two wins and eight losses. The team worked hard together with determination, dedication and optimism; and also with the guidance and inspiration offered by Coach Audrey Kather.

The season record left the girls with a third place league standing. Sandy Vasas and Yvonne Cekel were both honored as members of the All-League girls' tennis team. There will be many returning players so the hopes are high for a winning team next year!

American Nostalgia Theme Highlights Homecoming

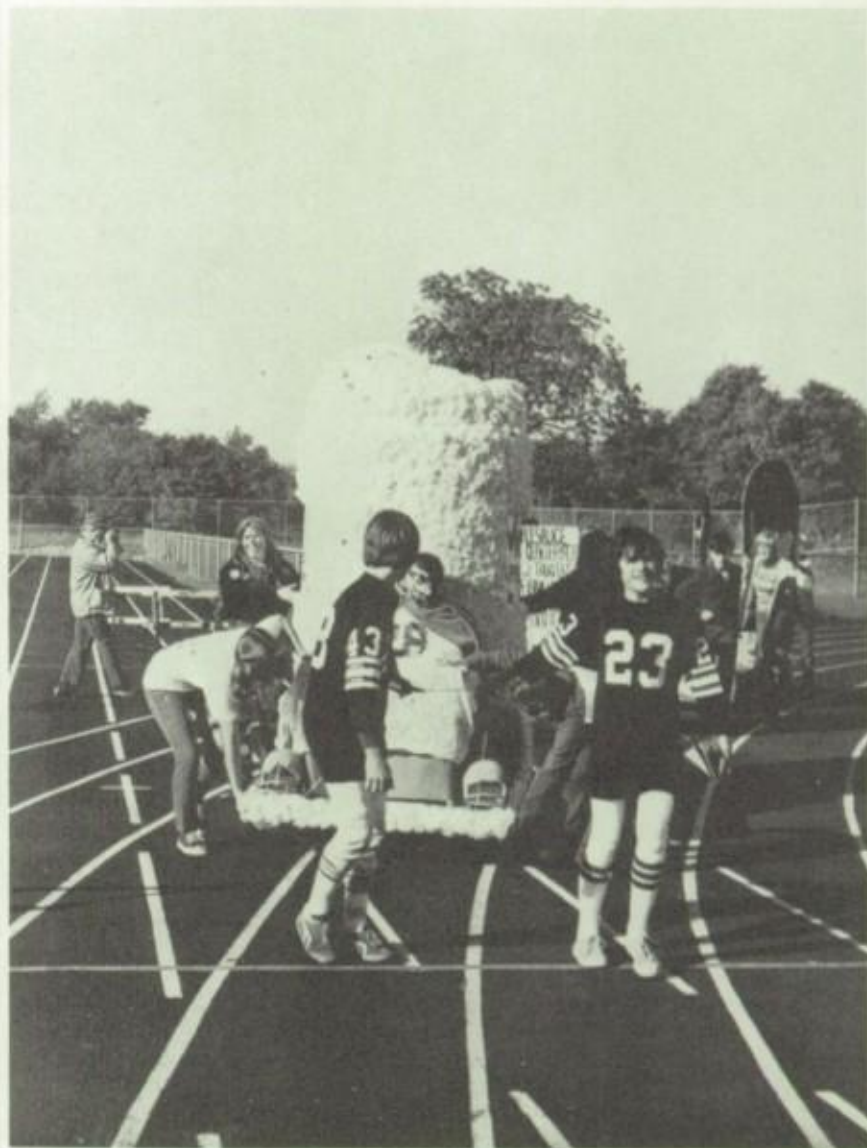

There was a lot of excitement at Homecoming this year! It began with pre-game music played by the Churchill Marching Band.

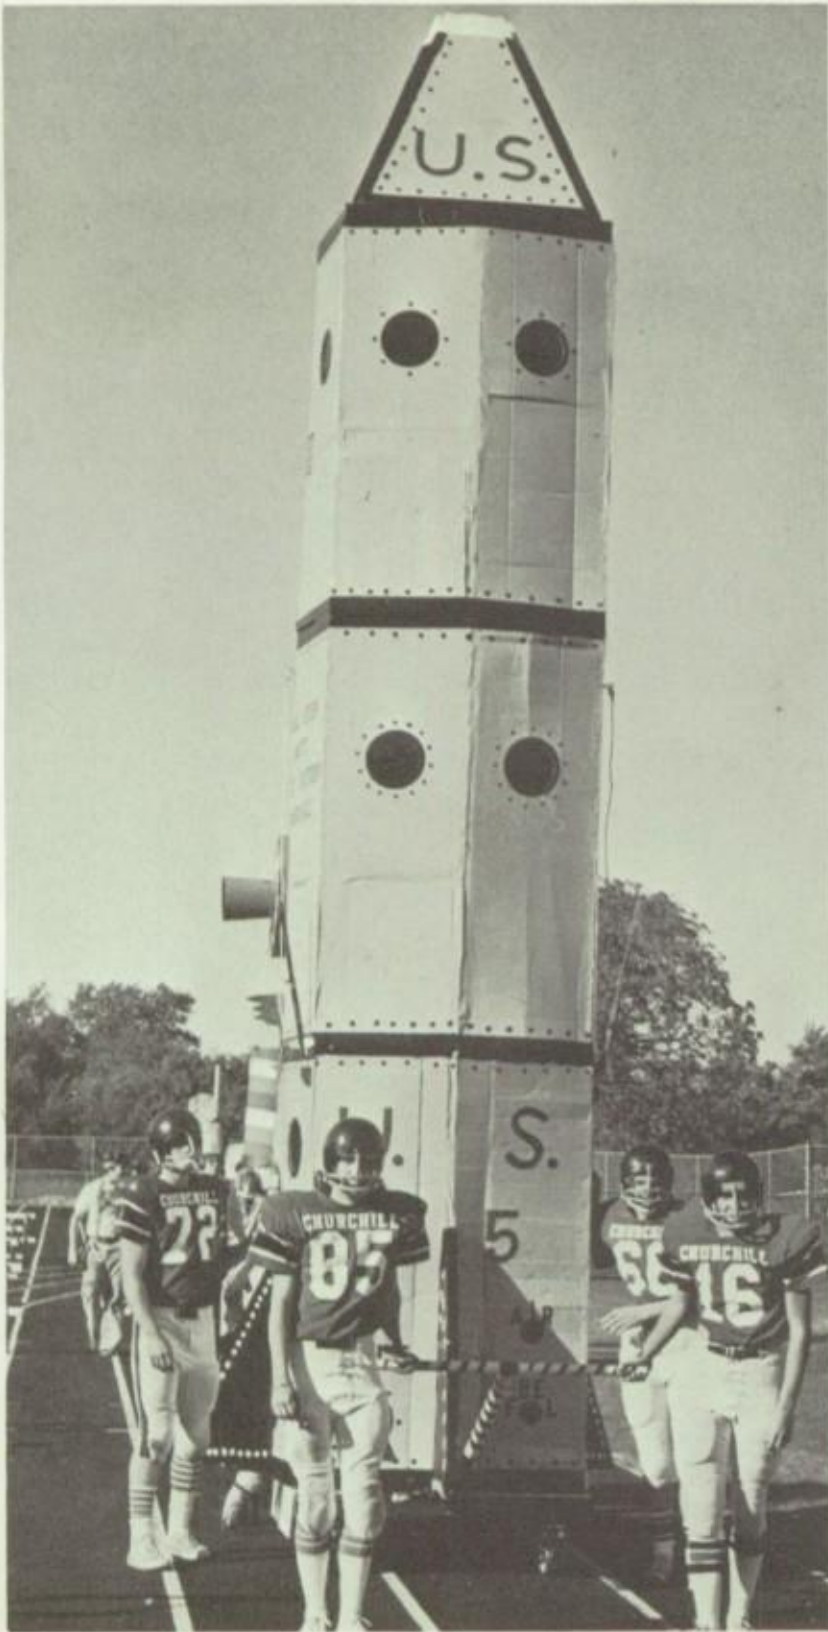

Everyone was impressed at half-time when the floats paraded around the field. The audience cheered as the winners were declared. The Art Club won the trophy for best design. The Senior Class Birthday Cake won the award for representing the theme best. Sophomores won the Class Prize. The Grand Prize Winner was the Industrial Arts Department's Rocket.

The Court consisted of Sophomores Vickie Kava and Gail Smith, Juniors Denise Bloch and Sue Barrett, and Seniors Kathy Crowley, Anita Garnett, and Sue Krick. The excitement increased when the judges announced this year's Homecoming Queen Sue Krick.

A perfect ending to the day was provided by the Charger team. They defeated Waterford Mott in a close game with a score of 6 to 0.

Bicentennial Theme for Dance

The Homecoming festivities around the school were plentiful. Along with the game, float building contest and fun fair, we also had a formal Homecoming Dance. This dance was sponsored by the Winston Word and featured the fine music of the band, "Now and Then." The theme, "American Nostalgia," was ideal for the Bicentennial Class of 1976.

Sue Krick, the Homecoming Queen, was crowned officially by last year's queen Sunday Bird. All in all this event was well received and everyone involved enjoyed themselves.

Variety Show 'Shoos Those Blues Away!'

For anyone feeling down on October 7th or 8th, a solution in the form of the Variety Show was offered by the Concert Choir. Because of past sellouts, the show ran two nights instead of the traditional one. Emceed by Marc Banka and Ken Hines, the show offered singing ranging from barbershop to pop, dancing from Tahitian to jazz and skits from "Bicentennial Minutes" to Dr. Seuss.

The show was a success for all — the choir added to its piano fund, the audience was entertained and the cast heard that sweet applause.

Students Boogie

Turning back the clock to "rock around it" has become a tradition at Churchill as we celebrated "50's day" for the third year.

During lunch 50's music was played and hula-hoop contests were held to gear everyone up for the sock-hop that night.

At the dance "Moose and Da Sharks" made music as the coeds and frats dipped across the dance floor. Sue Garneau and Vince Cipponeri won the best-dressed contest for their keen outfits.

In Quest of a Hat

The Churchill Harlequin's 15th Major Production was an "An Italian Straw Hat," a hilarious French farce performed on November 13th, 14th and 15th in the Churchill High School auditorium.

The play, which was directed by Mr. James Savedes, revolved around the adventures of Fadinard, a French landowner in the 19th century.

On the wedding day Fadinard's horse eats an Italian straw hat. This little incident turns into a major disaster. Fadinard finds that he must get a hat just like it or the hat's owner, Anais, will be killed by her jealous husband. Anais' lover, Emile Tavernier, would then kill Fadinard.

After many mishaps and cases of mistaken identity, the play ends happily. Anais is tossed back to her husband, hat and all, Fadinard's grumpy father-in-law, Nonancourt, is appeased and Fadinard finally departs for his wedding night with his ever-patient bride Helene.

'Give My Regards to Broadway'

"Heads will roll!" was the cry for this year's Drama Club as Mr. James Savedes tried to inspire his Broadway hopefuls to PROJECT!

Scare tactics aside, Mr. Savedes led his Harlequins to a very successful year as they performed "An Italian Straw Hat", "L'il Abner", and a bill of one-acts.

Besides the club, the Drama department also has many fine classes such as Forensics and Radio and TV for interested students.

Languages are For Everyone

This year the Foreign Language Club developed a foreign language library. It is located in one of the little rooms in the language lab. Along with Christmas Caroling and their foreign language banquet this year, they worked hard at painting new murals in the language lab and finishing existing ones.

Mr. Weeks **RIGHT** points out upcoming events, while **BELOW** the three different language books are shown.

A Club for All Kinds From All Places

This year there was a Foreign Exchange student here from Montevideo, Uruguay. Her name was Angie Couselo. She was in the twelfth grade and was seventeen years old. She could speak five languages, including English. She was in the United States for six months and enjoyed her stay very much.

The International Weekend had another great turnout. This was when all the foreign exchange students from the near-by schools got together for a weekend. This year they went to a baseball game and had a picnic.

TOP RIGHT Mr. Pratt talks about the homes that are needed for foreign exchange students. While Lynn Button and Margaret Korczyk **LEFT** discuss the coming events.

Forum Funds Registration

When lack of funds threatened the cancellation of college type scheduling this year, the Forum came to the students' aid with a \$260 grant that provided substitutes so teachers could consult with students on registration day.

Other important activities in which the Forum took part included approval of the murals painted near the Photography and Industrial Arts areas. They also sponsored S.M.A.S.H. (Students of Michigan Attaining Safer Highways), activity busses, Dollars for Scholars, and two student exchange days — one with Franklin High School and another with South Redford-Thurston.

The Forum also established the Bicentennial Committee which brought the Bennington Flag to Churchill's flagpole.

Sweat and Tears

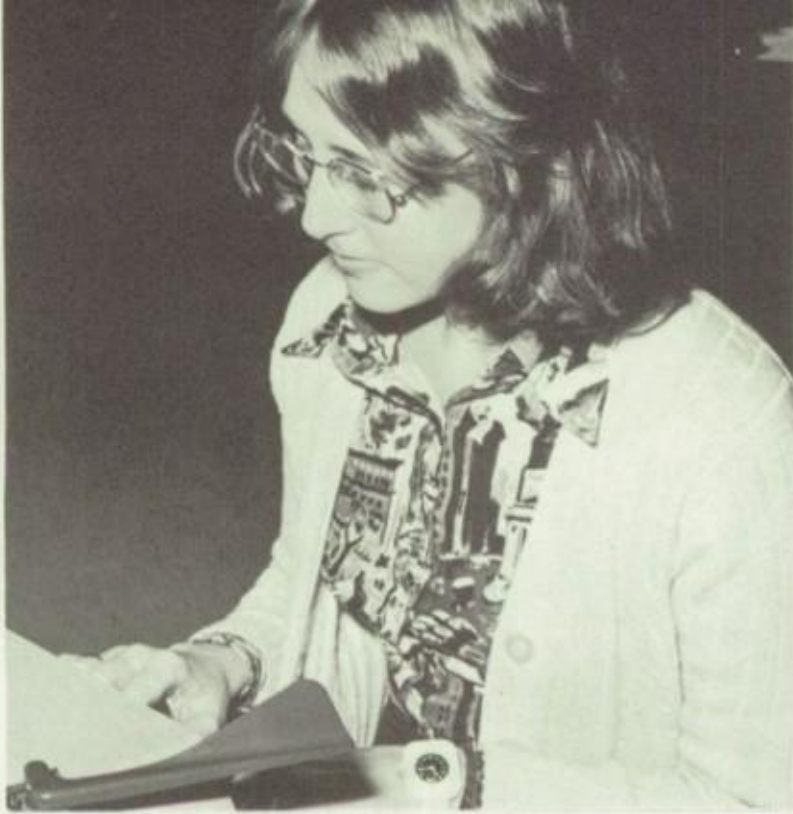

The yearbook consists of more than memories or pictures. It also consists of blood, sweat and tears of the yearbook staff. The blood is that of the staff member who fails to meet the deadline, the sweat is that of the day before a deadline and the tears are when the deadline is not met.

The people doing the most sweating this year were the sponsor Mr. Jack Schneider and the co-editors Pam Moore and Terri Schmidt. The rest of the staff was also very active as each member was responsible for not only pictures and stories, but also advertisements to help pay for the book. The success of the book was through team effort and cooperation.

Hard Work Holds Interest

Members of the **Winston Word**, Mr. Martin, the new sponsor, and the editors Dave Cannons and Stan Hills worked hard to keep the paper interesting. This year there was a senior issue containing the fun aspects of graduation. Although a new title was tried, sentimental outcry brought back "The Winston Word."

Activities Abound in Art Club

The Art Club decided to break a few traditions this year and they did! They had their usual prize winning float at homecoming and this year the project was totally student run. Immediately after float production, the club hustled to hold the first Haunted House in the school's history. It was a spooky success! To continue progress on the art gallery, the members participated in many fund raising events.

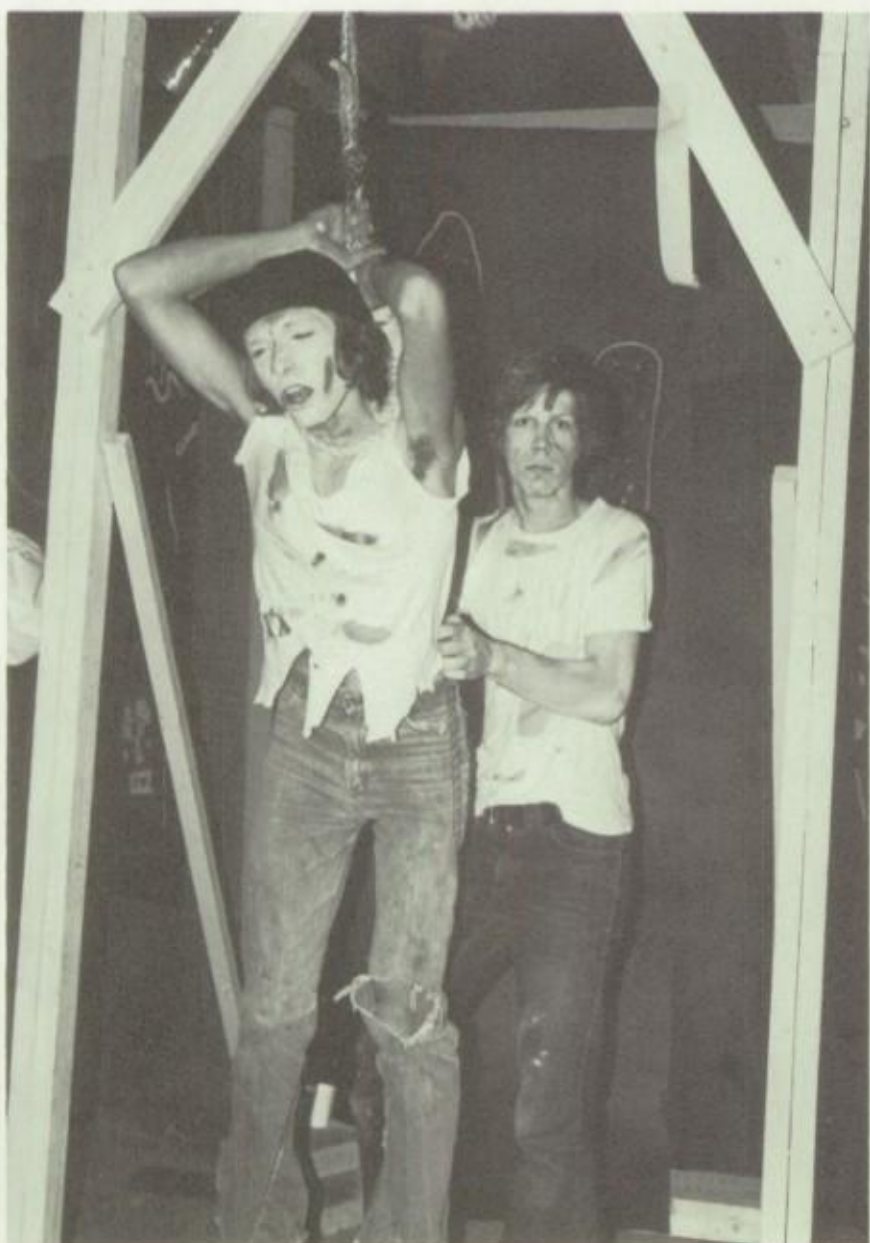

Along with much hard work the club had time for relaxation and fun, too. For Thanksgiving a turkey feast was prepared and at Christmas a party to exchange gifts was organized. At Christmas the club also held a special collection of food for a needy family.

Phaeton: A Literary Expression

One thing you won't want to miss here at Churchill is Phaeton, a magazine that comes out once a year. It is filled with fantastic poems, stories, and artwork, submitted by Churchill students. The Phaeton staff works hard in deciding what will go into the magazine, and it always turns out great.

"Come and see the new B.C." was the slogan for the British Corners this year. The British Corners is a store for students run by students, under the watchful eyes of Mrs. Rafferty. The students enrolled in Distributive Education classes learned about retailing, advertising, merchandising, and selling. Experience in the B.C. is valuable.

Work Experience Reduced

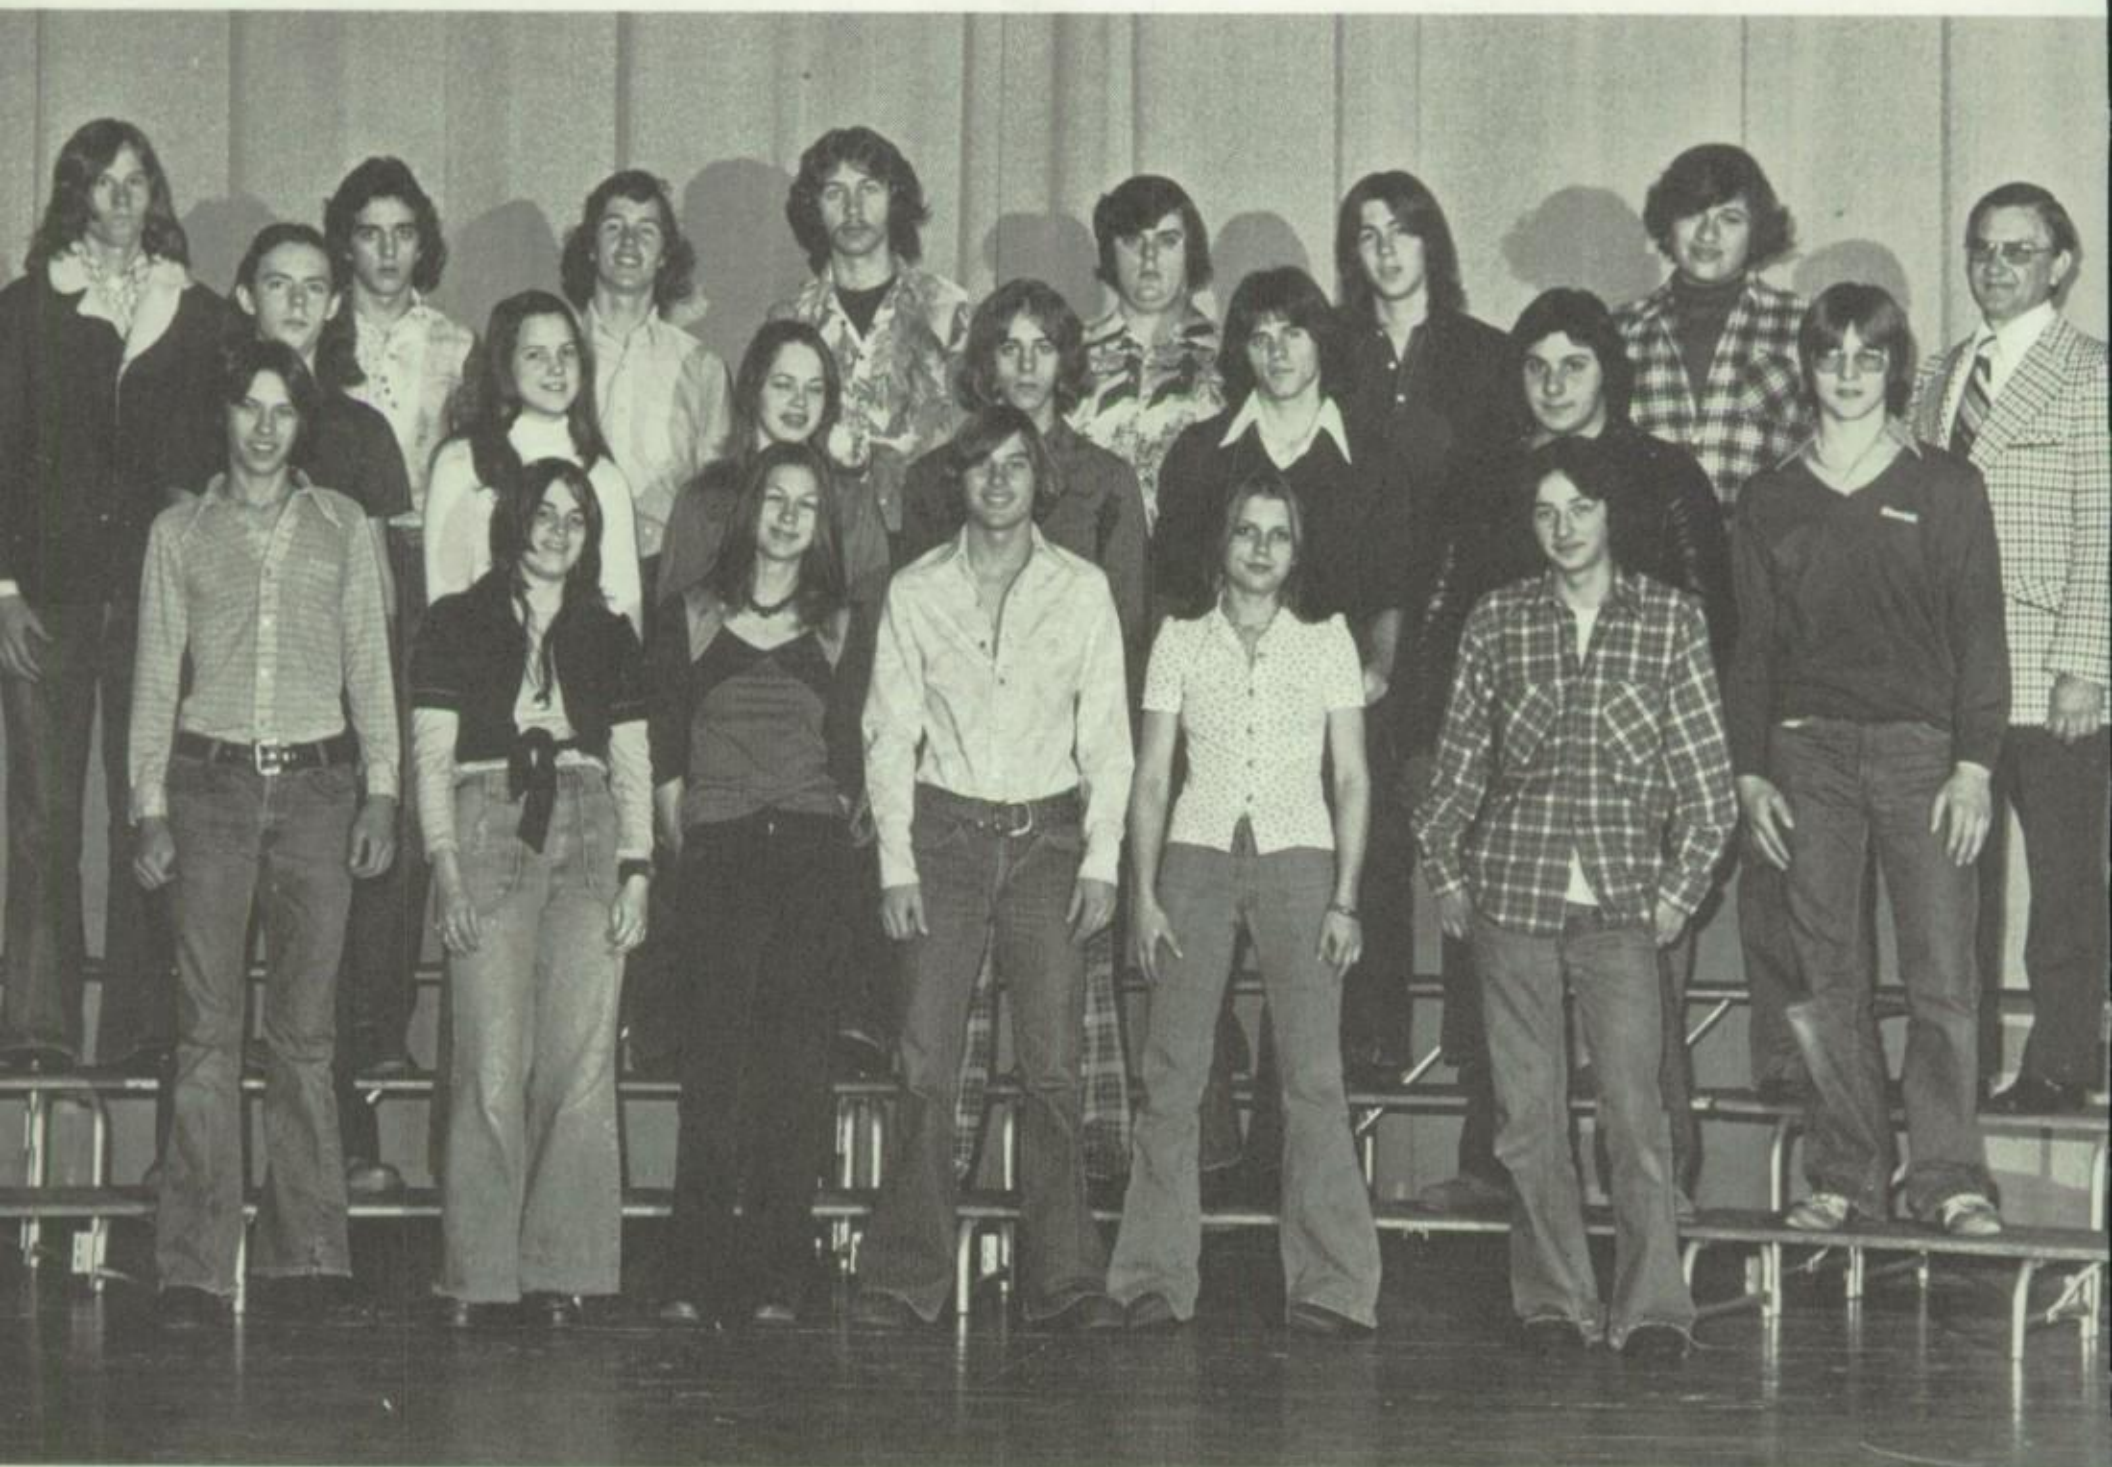

This year, the Work Experience Coordinator, Mr. John Matkovitch, found that the diminished job market made it much more difficult to find placement for students who wanted to participate in the program. In addition to a scarcity of jobs due to the weakened economy, the program was cut back over fifty percent. This meant that Mr. Matkovitch could only serve about 35 students rather than the 90 students he helped last year. Mr. Matkovitch hopes next year is better.

The Co-op program had several new sponsors this year. They included: Manufacturer's National Bank, Bank of the Commonwealth, Parker Hannifin, Absco Inc. and O'Hara Datson. An advisory committee meeting was arranged with the area employers to get feed-back that will be used to evaluate the program.

Churchill students who are part of the Co-op unit of the Distributive Education Clubs of America did well at the Career Conference held at Grand Rapids, Michigan. Under the guidance of their sponsor, Mrs. Constance Yauch, Churchill students took a 2nd place in state competition with their Creative Marketing Class Research Project. Also, among the finalists were Churchill students Cindy McAllister in Advertising Layout and Mark Morse in Customer Survey.

Kings and Pings

The chess club this year won the league title with very little trouble. They compiled a spectacular win-loss record of 19-1. The team was sponsored by Mr. Richard Braun and though it will lose many fine senior players, the juniors and sophomores hope to carry on the club's fine record.

Mr. Scuratowicz's ping pong club meets every day after school to socialize and sharpen their ping pong skills. Though the club is small, their attitude, dedication and all around spirit is tops.

Ski Club Has Good Year

Churchills Ski Club had one of their best years this past winter season. Approximately one hundred thirty-five students made up the club, most of them being underclassmen. A few trips had to be cancelled, but overall there were good skiing conditions. The club rode the bus to Mt. Brighton every Thursday and had lots of fun. If you're interested in joining next season, see Mr. Hogg or Mrs. Rafferty, the club sponsors, for details.

Although you may have heard about the CHS Spirit Club before, it has changed greatly in the past year. The club members have their own jackets now and they have made a beautiful banner for use at all of the sports activities. The Spirit Club sponsors all assemblies and paints signs to support our teams.

Bowling Club Strikes Again

This was the second year for Churchill's Bowling Club and it increased in size to fourteen teams with 56 students participating on a regular basis. The teams met every Wednesday afternoon at Westland Bowl.

The club had a split season with two winning teams and a roll-off for the championship. Last year's defending champion, the Gutter Gang, was also this year's first half winners.

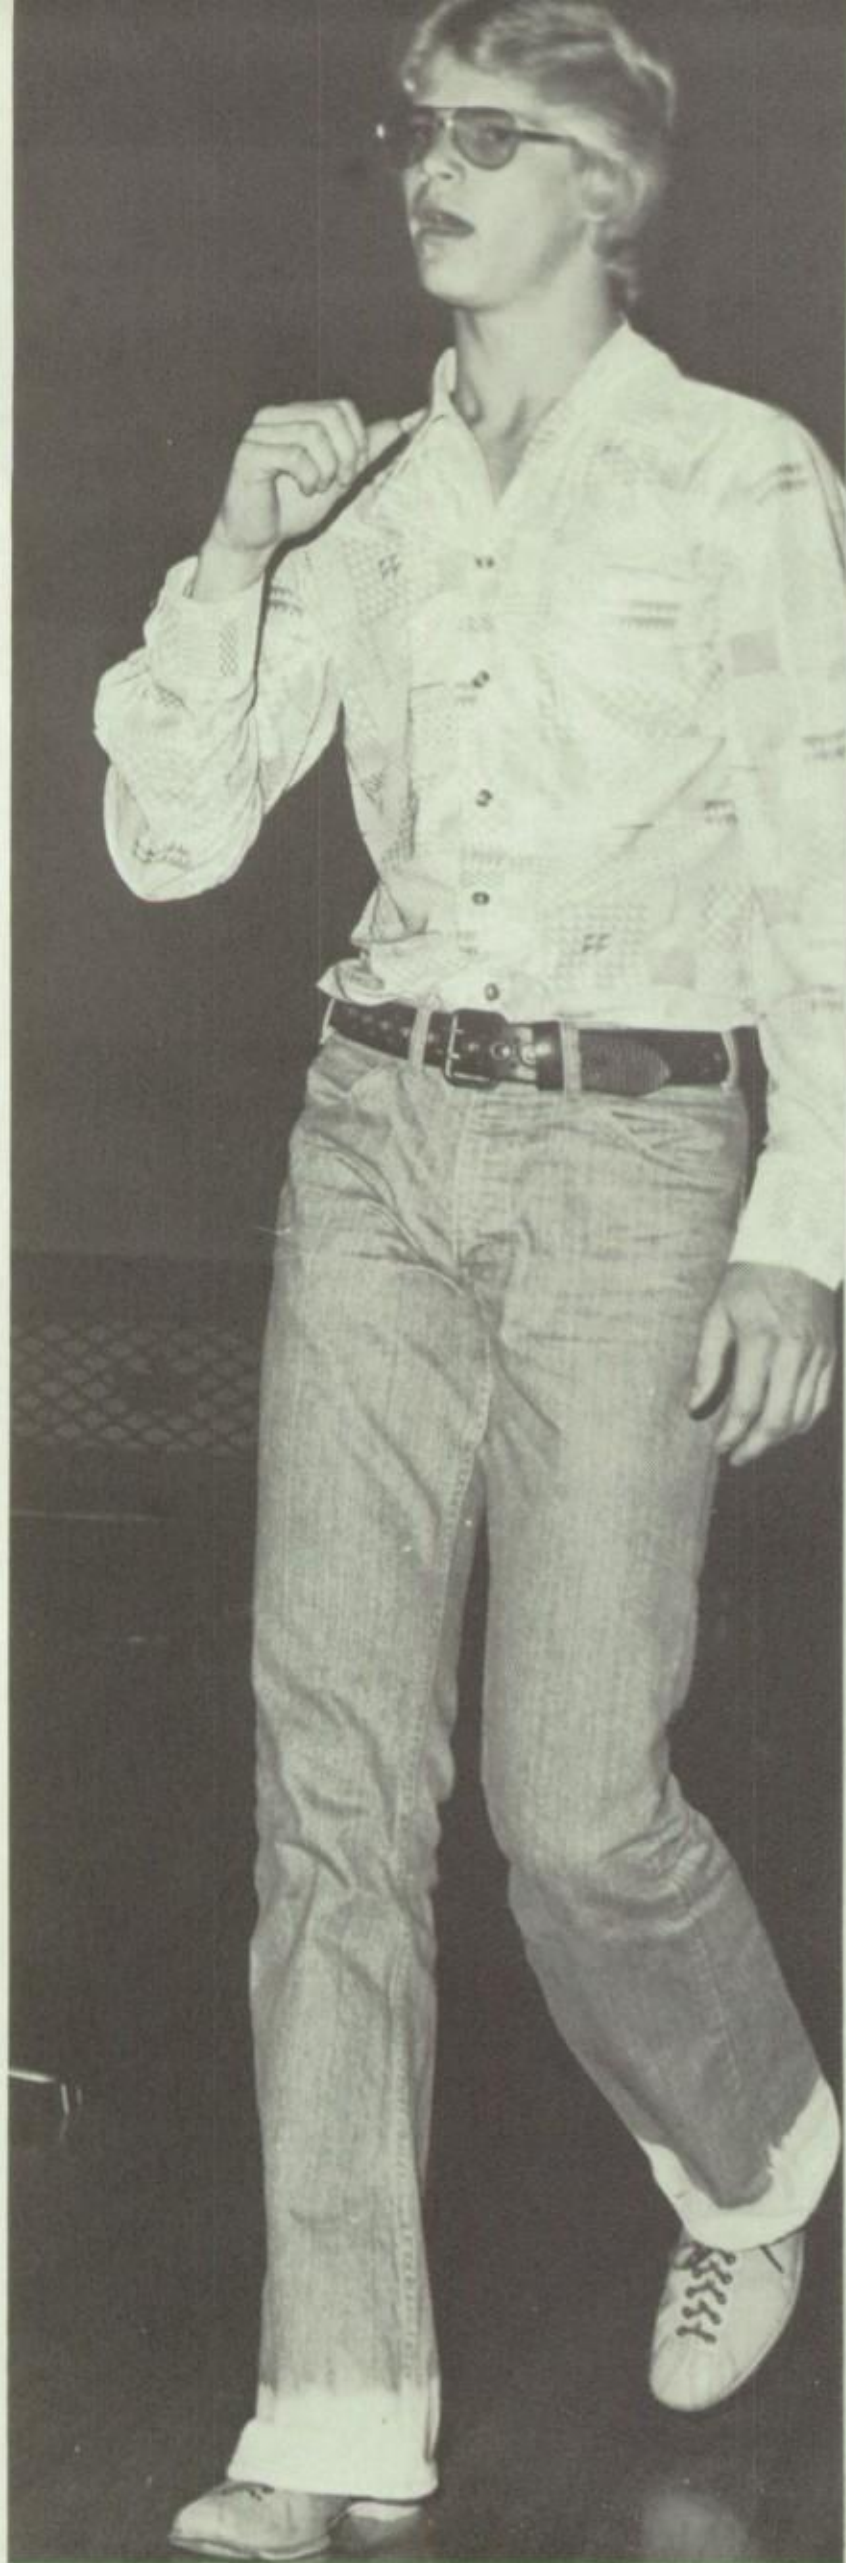

The year ended with a banquet at which numerous trophies, certificates, and patches were awarded. The fare consisted of Maria's pizza.

Activities For All

Homecoming this year offered many activities in which students could get involved. Many seniors took advantage of this and involved themselves in the fun fair, the float building, the support of a queen candidate, the actual football game and the big parade.

Seniors Show Superior Spirit

Once again the senior class outwitted the juniors in their annual powder puff football game. The senior girls had the support of quite a few foxy looking cheerleaders who rose to the victory with a pyramid. Outstanding plays were made by Sandy Vasas and Patti Dixon as they each scored touchdowns for their team. The game ended in a 12 to 6 victory over the juniors.

Charger Challenge

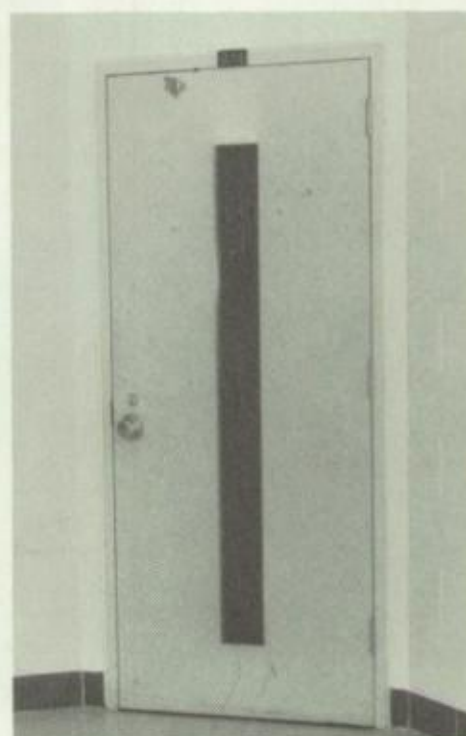

Test your knowledge about Churchill. At right are four pictures of places around Churchill. How many of them can you identify? Answers are below.

TOP RIGHT is between A and B halls. Although it may not look very decorative in the picture, that was the original purpose of this cement "Roman pool" structure. It is now a gathering place for Churchill students.

LOWER RIGHT are two pictures — one a door in the commons of B hall, the other what's behind that door. It holds a variety of chemicals and equipment used for the science classes.

FAR RIGHT is the catwalk. This narrow area is located in the ceiling of the auditorium. Stage and spot lights for performances are directed from here.

EXTREME RIGHT is probably the least known area of the school. It is the basement. Composed of tunnels and waterpipes, the basement winds its way beneath the school.

Music Is Seniors' Forte

There were not only many seniors involved in music through band, orchestra and choir, but many outstanding ones as well. Every one of the senior groups or solos in Solo and Ensemble received one of the two top ratings of superior or very good. Nancy Yagiela, Albert Muth, Lisa Bitel and Shari McKenzie participated in the Instrumental Solo and Ensemble along with Dina Mansour, Roberta Call, Joyce Petrtyl, Jeff Haller, and Gary Pierini. In the vocal Solo and Ensemble Laurie Anderson, Lisa Bitel, Barb Casler and Erin O'Toole made up a senior quartet.

Most seniors found their last year not the "free ride" they may have hoped for, but a tough year academically. Seniors found themselves struggling to pull up grade point averages for college or trying to learn job skills. Happily, some seniors found their required government and social studies classes not as hum-drum as they had feared.

Though this year's class officers Karen LaFave, Mike Bonfiglio, Yvonne Cekel and Ellen Dacey had to contend with what's been labeled "the apathetic generation," they led the senior class with hard work and originality.

Poor response to class meetings pushed heavy work loads on all the officers. Each one of the officers and the sponsor Mr. James Stangis deserve the appreciation of the senior class for an often unrewarding job done well.

Strong Senior Leadership in Drama

The success of any major production depends on the perfection of many small units and their ability to merge into a single unit. To accomplish this, strong leadership is essential. In drama seniors have provided much of that leadership.

Seniors lead many aspects of theatre including administrating, directing, acting and crews of all types. Many have given the club three years of long hard work in several areas. Because of these dedicated people success is possible.

The Road Not Taken

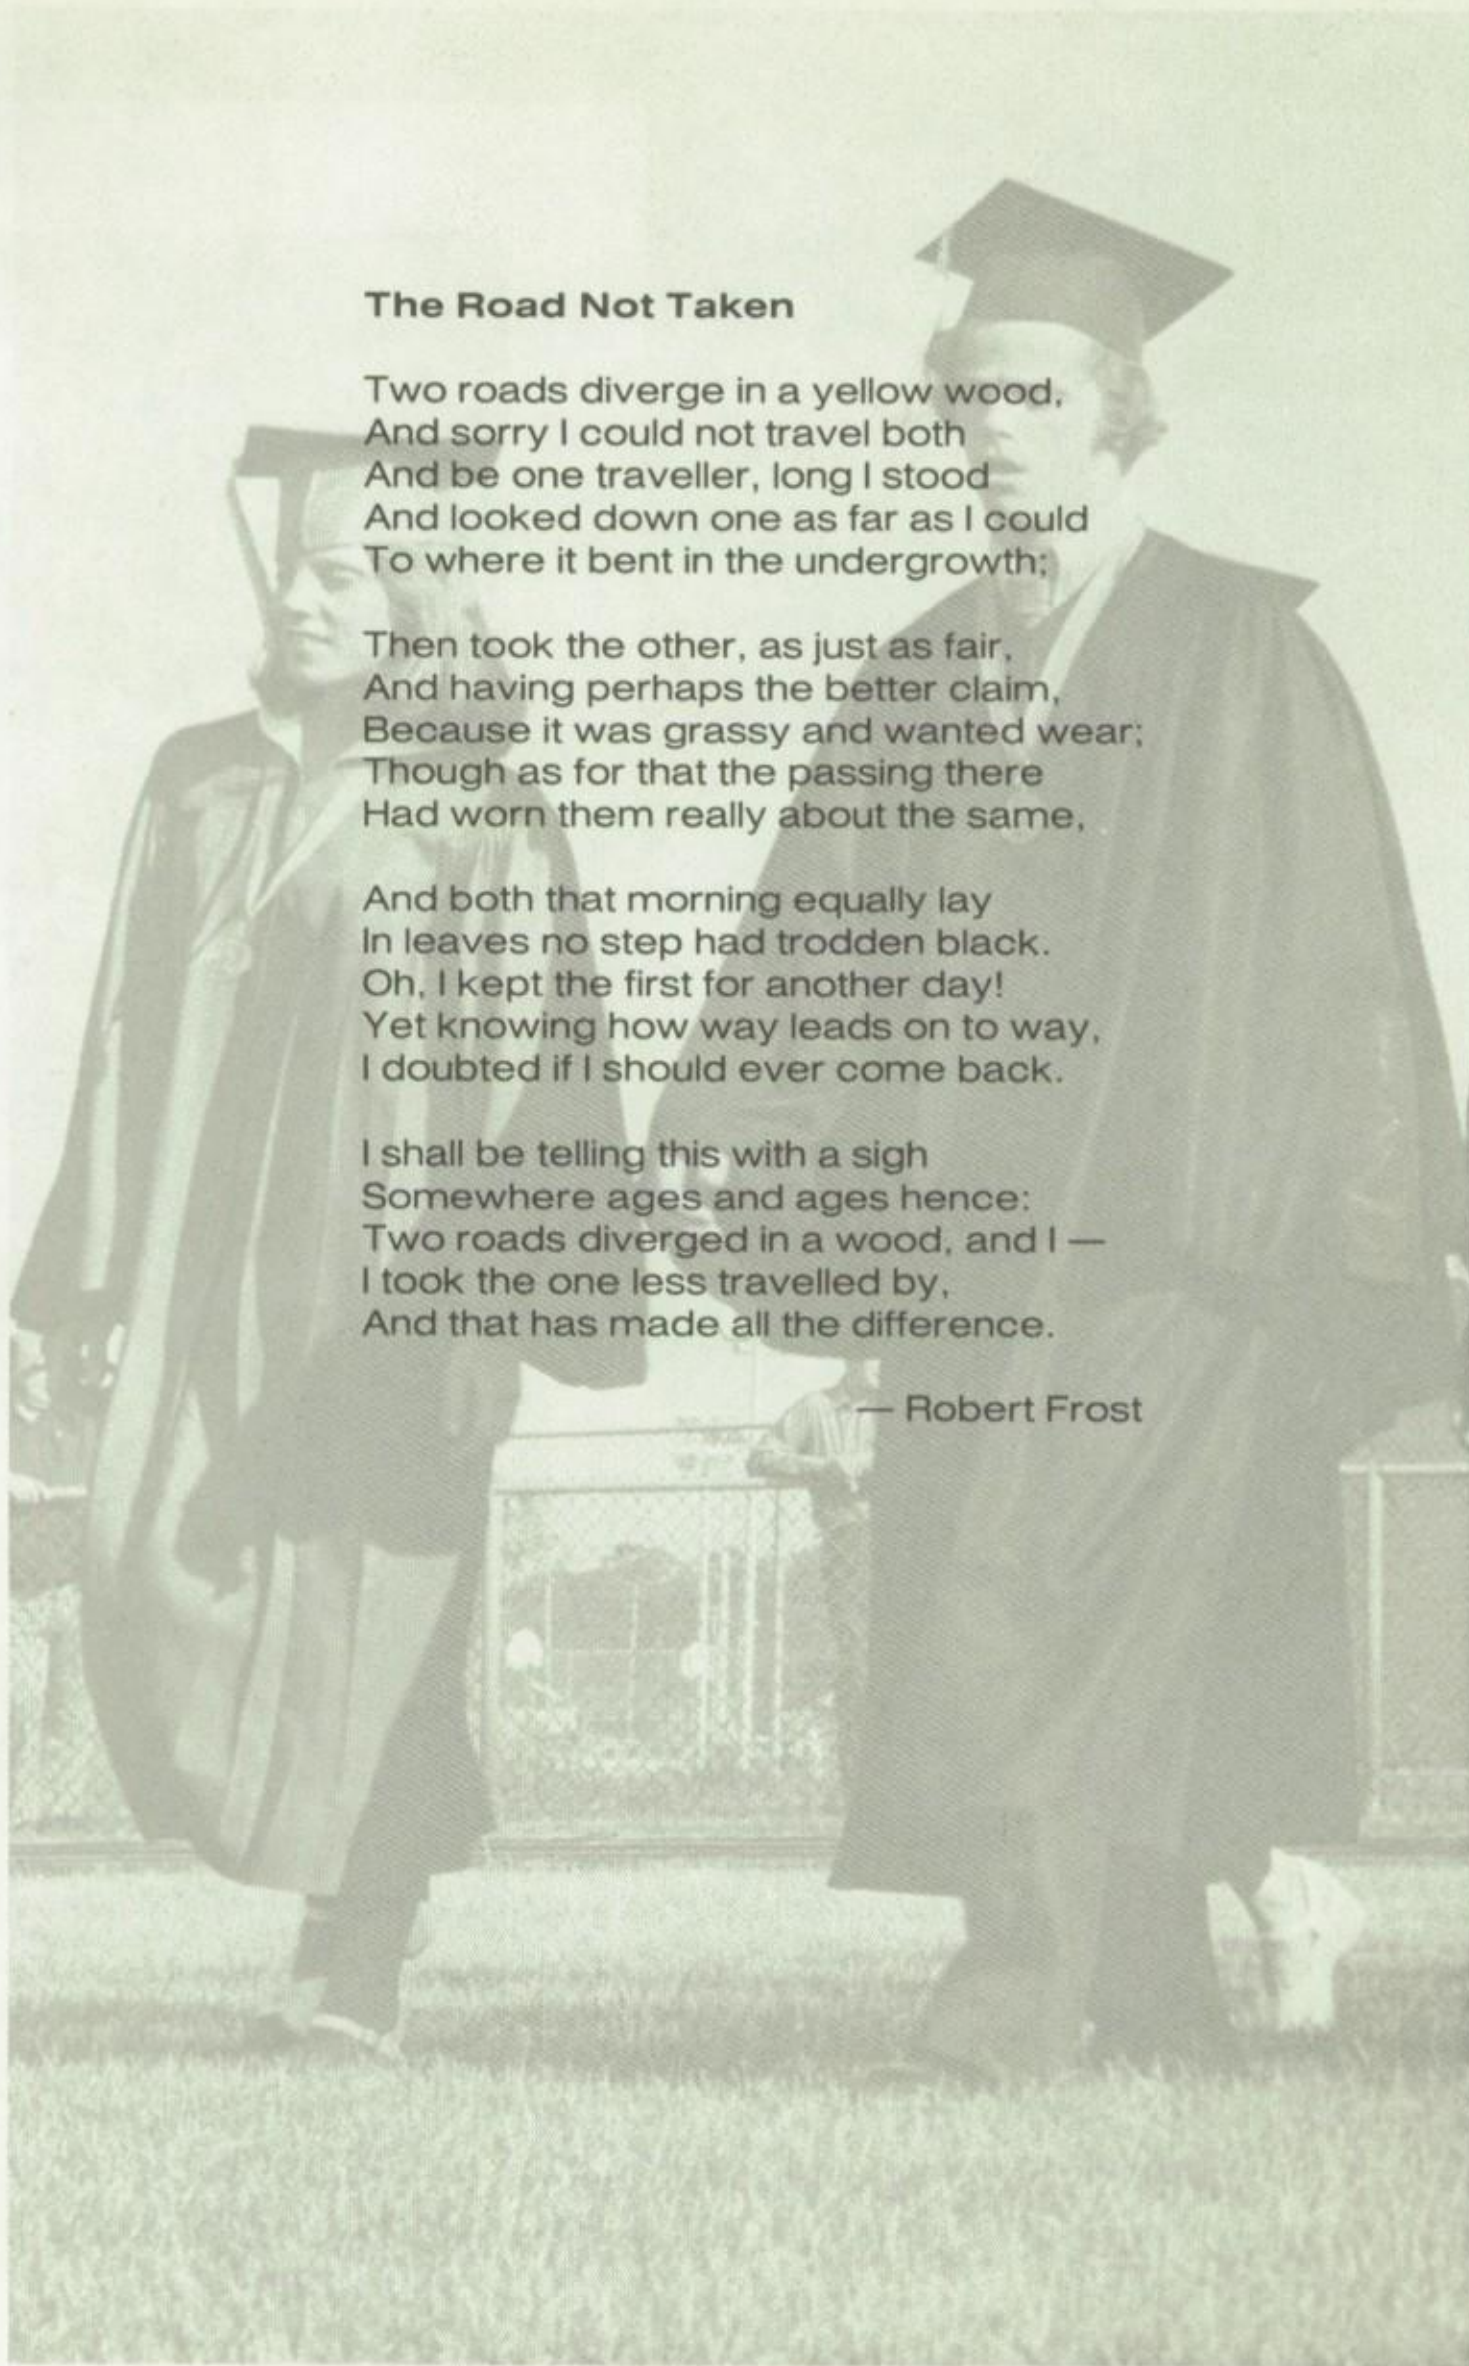

Two roads diverge in a yellow wood,
And sorry I could not travel both
And be one traveller, long I stood
And looked down one as far as I could
To where it bent in the undergrowth;

Then took the other, as just as fair,
And having perhaps the better claim,
Because it was grassy and wanted wear;
Though as for that the passing there
Had worn them really about the same,

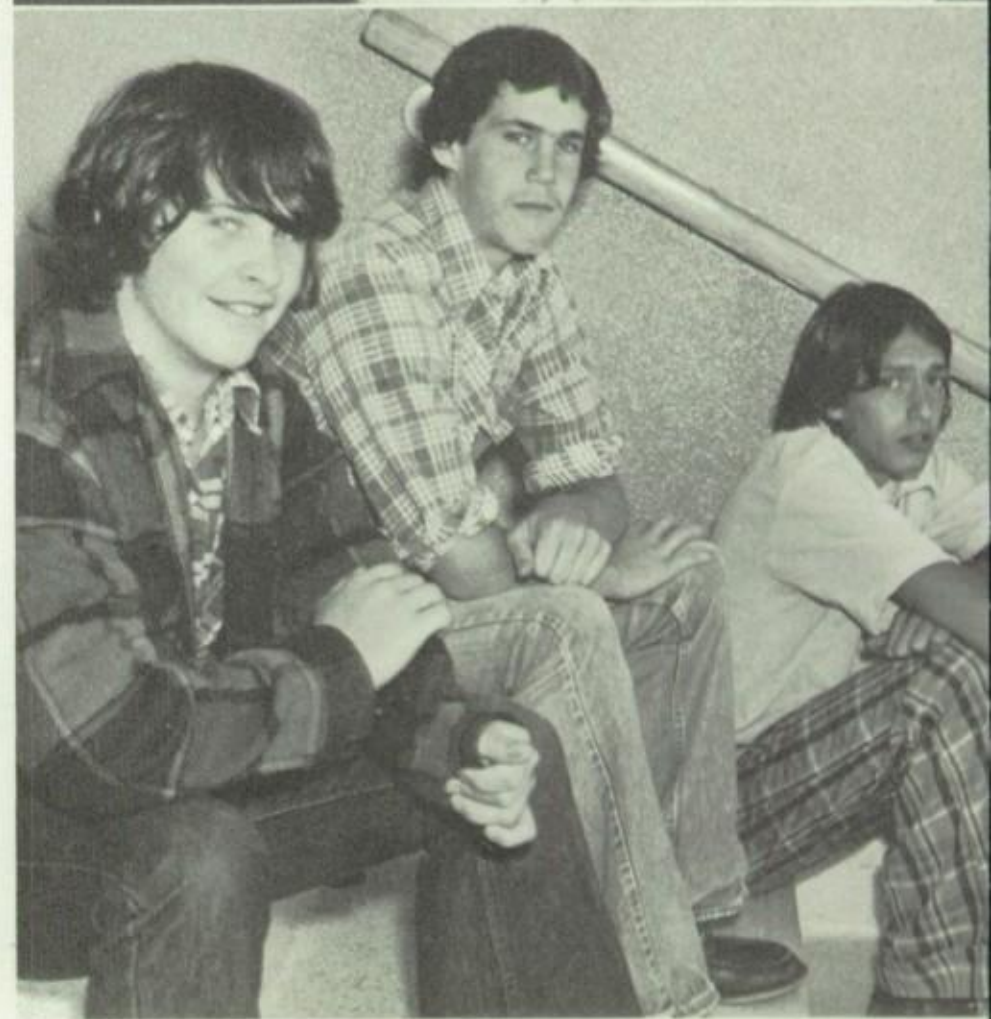

And both that morning equally lay
In leaves no step had trodden black.
Oh, I kept the first for another day!
Yet knowing how way leads on to way,
I doubted if I should ever come back.

I shall be telling this with a sigh
Somewhere ages and ages hence:
Two roads diverged in a wood, and I —
I took the one less travelled by,
And that has made all the difference.

A Look at The 50's

The Junior class participated in many activities. These included the 50's Dance, building the float, The Mayflower, and running concessions at games to raise money. Unfortunately, the all school dance was cancelled.

Mr. Wolocko was the Junior class sponsor this year. With his help and the help of the class officers, the year went by smoothly.

Powderpuff—Fun For All

The powderpuff game between the juniors and the seniors didn't turn out as well as the juniors hoped. The team practiced hard, usually at Diamond 8 on Saturdays. The girls were coached by Ron Wilks and Pat Fabian. The important thing is that they had lots of fun playing and look for a win next year.

Bill Sellers **RIGHT** concentrates on learning his music for the orchestra festival which was held in March. The orchestra received a "2" rating, which is excellent, at festival. Louise McPhee **LEFT** performs a little number at the fall variety show. She, along with other students showed their many talents.

Looking for something that I can believe in,
Looking for something that I'd like to do with my life.
There's nothing behind me
and nothing to tie me
to something that might have been true yesterday.
Tomorrow is open,
right now it seems to be more than enough
to just be here today.
And I don't know what the future is holding in store,
I don't know where I'm going I'm not sure where I've been.
There's a spirit that guides me; a light that shines for me,
My life is worth living then and I
don't need to see the end.

THE SALUTATION OF THE DAWN

**Listen to the Exhortation of the Dawn!
Look to this Day!
For it is Life, the very Life of Life.
In its brief course lie all the
Verities and Realities of your Existence:
 The Bliss of Growth,
 The Glory of Action,
 The Splendor of Beauty,
For Yesterday is but a Dream,
And To-morrow is only a Vision:
But To-day well-lived makes
Every Yesterday a Dream of Happiness,
And every To-morrow a Vision of Hope.
Look well therefore to this Day!
Such is the Salutation of the Dawn!**
